OCTAGONAL KIOSK basement forms almost ready to pour. That basement should be poured this week and then the kiosk itself can be built on top. Small kiosks will be constructed at mid-block positions north, south, east and

west of the main one. Electrical lines and such utilitarian things will run from main connections in this basement out to all four reaches of the Concourse.

ROSE AMONG THE INCONVENIENCES -- to mix a semaphor -- Free Mustang that some lucky ticket holder will claim in June, posed amidst the construction of the Upland Concourse. That's the big kiosk at Second and Ninth

right behind the car. Kiosk basement is under construction, while all of Ninth between First and Third is torn up, being reconstructed.

Progress 'good' on Concourse

"Progress continues to be good with the concourses beginning to take on their eventual form," was the heart of the message this week from the City Engineer's office on the Upland Concourse.

Progress was reported in both the alleys and in the streets, and is evident to anyone visiting the downtown area.

Here is the complete report from the Engineer's office:

The following activity will take place this week:

Utility poles have been removed from the alley south of Ninth St., and the contractor will place the asphalt concrete surfacing in both of the alleys south of Ninth St. this week.

Underground electric and irrigation lines will be placed

in the Ninth St. Concourse east of Second Ave.

Limited work will begin on the Second Ave. Concourses; some of the sidewalk will be removed for tree wells and light standards and some broken sections will be replaced.

The concrete walls for the kiosk basement will be poured this week. The eight 6 inch by 6 inch steel posts that project above the basement walls will support the roof of the kiosk.

Work will start on the footings for the four service kiosks to be located near the crosswalks at the center of each block of the Concourse. Each of the service kiosks will contain a mail drop, a telephone, a directory, and a bulletin board.

Progress continues to be good with the concourses beginning to take on their eventual form.

FM station proposed

An application has been submitted for filing with the Federal Communications Commission for a construction permit for a new FM radio station in Upland.

Officers of the corporation that wants to build the station, West Coast Communications, Inc., are Leonard E. Walk, Armand Kovita and Florence Walk.

Seniors plan hotcake feed

Seniors of Upland High School will serve a pancake breakfast to any and all hungry ticket purchasers Saturday, April 27.

The breakfast in the UHS cafeteria will help the seniors pay for their annual "ditch day" and their graduation party at Disneyland.

CUHS 1968-69 budget battle begins

Chaffey Union High School District Trustees have a preliminary budget to study, a really bare-bones document, that adds up to \$9,767,828. Administrators presented the preliminary budget worked from a February estimate of income for the 1968-69 school year so the District would have something in the reserves.

Monday's first preliminary

budget was based on the same total tax rate now in effect, \$1.88 per \$100 of assessed value.

In order to fit expenditures into that framework and leave a half-million reserve figure, the administrative staff eliminated all equipment replacement and additions and whittled down equipment repairs. They also eliminated new classified positions and

amounts for hourly employees and overtime were reduced. Twelve new teaching positions envisioned in February were eliminated as was a psychometrist and three additional counselors.

Funds for the upkeep of buildings and ground were reduced, and funds for grounds improvements were removed.

Now, Supt. Allan G. Smith and his staff told the board, it's up to the trustees to give them some guidance on what eliminated or reduced items the trustees would like to have put back into the budget or increased.

Final budget time is August.

And between now and then, many factors not known at this time will have to become known before the Board can adopt its actual plan for the coming fiscal year.

Teachers and classified personnel would all like a raise, but what the District will be able to do is as yet unknown.

Teacher contracts will be signed in an "open end" manner -- with a provision for contracts to be signed at a certain minimum figure, with increases possible later, when all the pertinent data is available.

Instruction accounts for some 2/3 of the total budget. In the preliminary, that figure for teachers and texts and other expenses of instruction account for \$6,509,619. Over 50% of the entire budget is for teacher salaries.

Administration expense was set at \$245,854; health services \$64,190; operation of plant (all five schools), \$982,683; maintenance of plant \$365,284; fixed charges (such things as retirement and social security, which are pegged to salaries) \$508,332; and pupil transportation, \$90,711; community services \$71,472; and capital outlay, \$121,272.

Major sources of anticipated income were State apportionments, \$3,847,500; County sources, \$145,800; local real estate and personal property taxes and other local incidental sources, \$5,772,500, with almost \$5 million of that from real estate taxes.

Another round in the annual battle of the budget -- not between administrators and board members -- but between them on one side, and the expenditures income on the other, will happen in about 30 days.

Open houses to mark Public Schools Week

Open houses and school visits will constitute major observances of Public Schools week, April 22-26 in Upland public schools.

Plans for the observance were laid at a meeting attended by George Mason, master of Upland Masonic Lodge 419 and Supt. Vern Orum of the school district.

This year is the 49th observance of Public Schools week, which was started by the Grand Lodge of Free and Accepted Masons of California in 1920.

Mayor James Christensen issued a proclamation calling attention to the observance, through which Masonic lodges pay tribute to the public schools and the job they are doing.

Theme of this year's observance is "The Public School -- Cornerstone of Liberty."

Orum announced that each school has arranged its own program and visitation schedule. He recommended that all citizens visit their neighborhood school.

Following is the schedule:

Baldy View -- Visitation Tuesday and Wednesday. Open House Thursday.

Cabrillo -- Wednesday, April 17, Fourth grades will present program at Rotary. Invitations to all parents to visit school Monday through Friday. Tuesday, Apr. 23, special invitation to neighbors in trailer court to visit. Open House Thursday, April 25, 7 to 8:30 p.m.

Citrus -- Open House Thursday, April 25.

Foothill Knolls -- Open House, April 23, 7 to 8:30 p.m.

Magnolia -- Visitation during the week by invitation through children and teachers. No formal presentation.

Pioneer Junior High -- Visitation during the week; no formal presentation.

Sierra Vista -- Open house April 25, 7:30 to 9 p.m. PTA pie and cake sale April 25.

Sycamore -- Spaghetti dinner 5:30 to 7:30 p.m.; Open House 6 to 8 p.m., Apr. 25.

Upland Junior High -- Open House, April 23, 7:30 p.m. Annual Talent show April 26 and 27, 7:30 p.m.

'Garage' sale

Including sink

Everything -- including the sink.

That's what's on a list of surplus materials and equipment that Chaffey Union High School District will sell next month.

A two-page (legal size) list was declared surplus Monday night by the Board of Trustees, and it contains everything from wheelchairs to automobiles, from chain hoists to chicken cages.

There are gas heaters, two 12-inch Skill-Saws, light fixtures and other electrical stuff, a popcorn machine, potato peelers, used lumber and other building hardware and fixtures, map stands, a diesel engine, and other items cleaned from closets all over the districts.

Some of the items, if valued at over \$200 will need

to sitate a bidding procedure, but most of the items on the long list will have a minimum value placed on them and sold, just like any garage sale. Dates of the sale, location, and other details will be announced.

The sink? Soda fountain type.

Citrus blossoms perfuming area

West End residents are being treated to a sample of life in a perfume factory every time they open their doors. Good weather conditions and temperatures above normal resulted in an unusually heavy blossoming of area citrus trees.

The San Bernardino County Department of Agriculture said that March weather created very favorable crop conditions. Good inside bloom, they said, indicates a possible return to normal crops for next season.

With most of the frost-damaged fruit removed, however, there is a prediction of 130 field boxes per acre of navel oranges, only 45% of last season's yield.

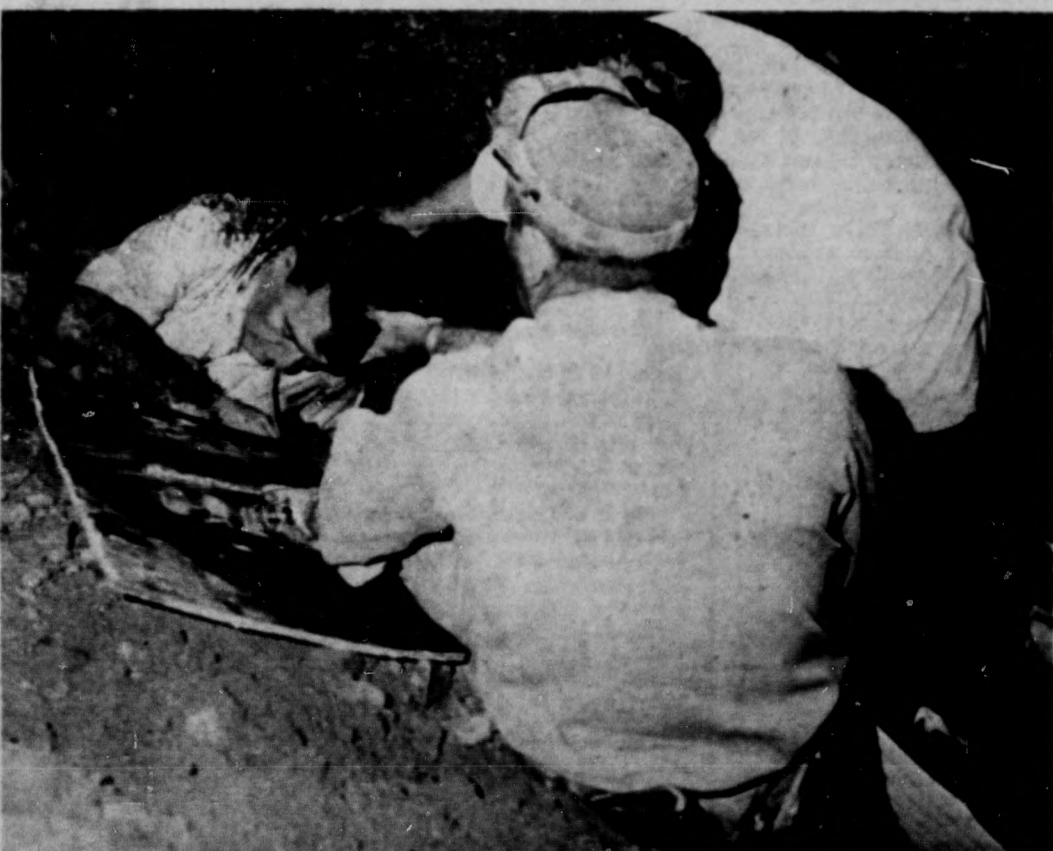

Lemon crops are being harvested, and estimates are running as high as 240 field boxes per acre.

Valencias are low in crop volume, but fruit size is approaching normal in this variety. 100 boxes per acre are predicted, but yield may be greater at harvest time in May. 340 field boxes per acre of grapefruit is anticipated.

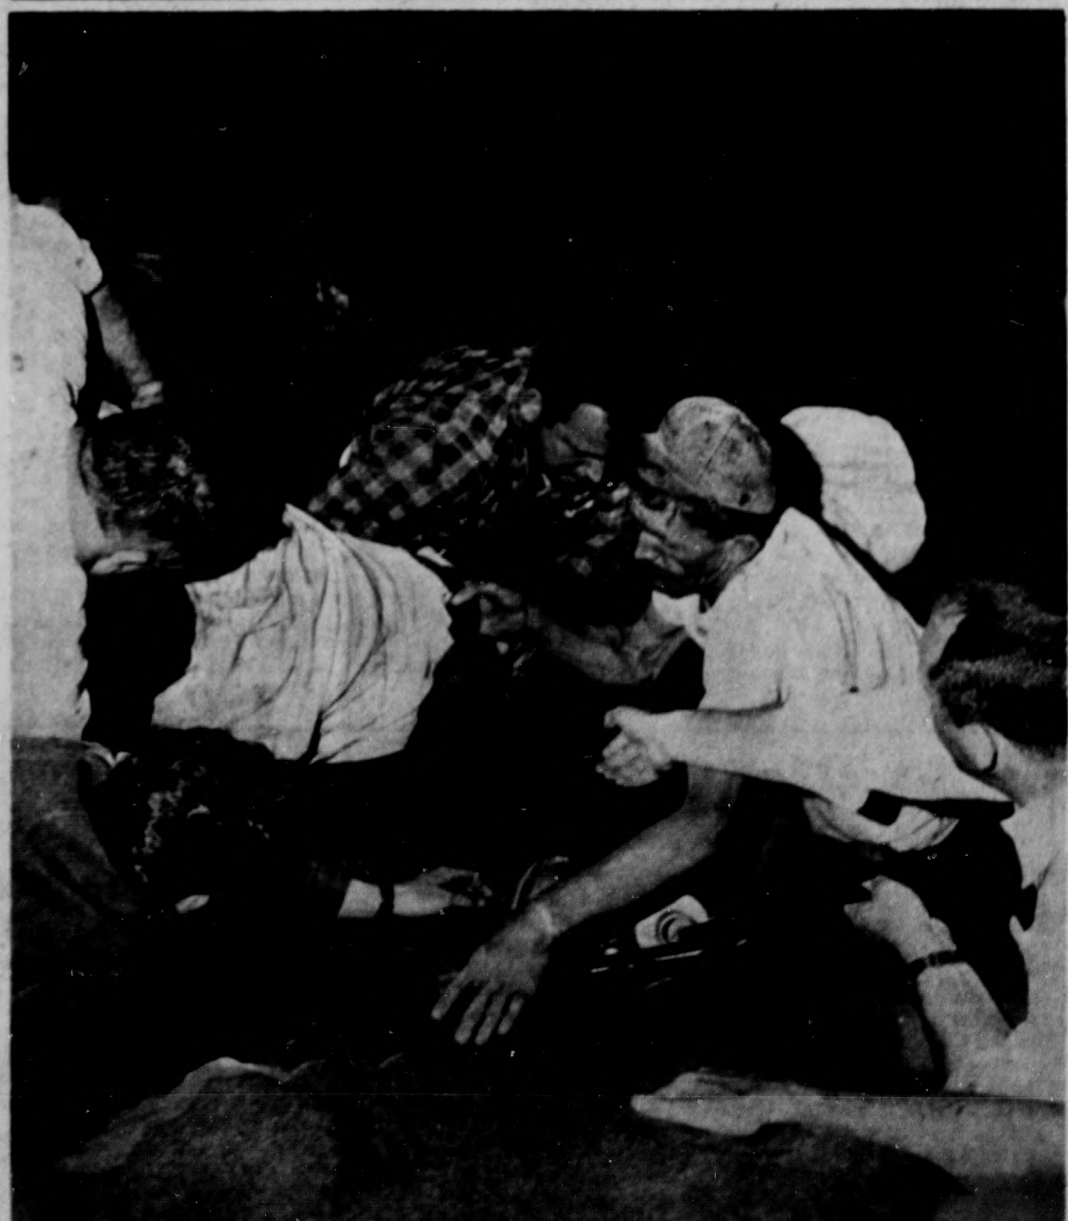

Strawberries and other field crops are being harvested now, and range and pasture growth is the best in many years. Seed bed preparation, planting of crops and blossoming of trees are on schedule as a result of ideal spring weather, noted the Department.

DIGGING BY HAND -- was task willingly performed by many successful rescuers when George J. Patrick, 45, plant superintendent of Associated Rock-Pomona Ready Mix, was buried under some 25 tons of dirt and rock at the plant for about 3-1/2 hours late Thursday. Patrick was hospitalized, but in pretty good condition after his ordeal.

HEAD AND SHOULDERS FREE -- and it was good to see him talking to Upland Mayor Jim Christensen, who worked hours in the pit at the gravel plant to free the trapped George Patrick, who had been trying to free a conveyor of a piece of steel when the world caved in on him. Plastic tube supplied oxygen. One of first things Upland firefighters did when they arrived was pump oxygen into dirt around man's face. Christensen encouraged him, telling him to keep breathing.

SUCCESS -- victim of cave-in is lifted from burial. Big fellow in white shirt at left is Upland Mayor Jim Christensen, one of first at scene, at plant where he works. Mayor was hit in back with a bucket during rescue, and forgot his still nagging back and rib injuries suffered in auto accident in January, but noticed them after it was all over.

SHOVEL -- handle sticking up chute -- supported one foot of buried man. His head was about five feet below surface, and one leg was cramped under him, but one stuck-down chute, where man who was working with him, Pete Bertinotti, maintained lonely vigil and support for Patrick's foot. Last rites were administered by the Rev. William Valverde from this location.

The Harold Stewarts mark golden wedding anniversary

More than 200 local residents and out-of-town relatives and friends gathered Sunday April 7 to honor the Golden Wedding Anniversary

of Mr. and Mrs. Harold Smith Stewart of Upland. Councilman and Mrs. Walter E. Stewart, Ontario and Mrs. Ruth S. Crawford, Upland, son and daughter of the honored couple, and the grandchildren of Mr. and Mrs. Stewart, invited the friends to the home of Councilman Stewart at 830 West Sixth St., Ontario, for the gala occasion.

Mrs. Crawford, Mr. and Mrs. Walter Stewart and Mr. and Mrs. Harold Stewart greeted each guest at the door. Miss Julie Crawford, granddaughter, officiated at the guest book.

A traditional wedding cake decorated with gold leaves and golden wedding bells served as the focal point of the table, which was handsomely set with gold and crystal candelabra and gold serving dishes. The Misses Carol and Shirley Stewart and Mrs. William R. Lee, granddaughters, served the guests throughout the afternoon event.

The Stewart home was artistically decorated with several large arrangements of white gladioli, white caryophylls, white carnations and golden leaves. Each family member wore a white orchid corsage enhanced with a golden ribbon, while the gentlemen wore white carnation boutonnieres.

Mr. and Mrs. Harold Stewart (Mabel Hardwick) are both long time residents of this area. Mr. Stewart was born on Foothill Blvd. when Upland was still known as North Ontario. Mrs. Stewart came to Ontario as a young girl in 1910 and they both met while attending Chaffey High School.

Mr. and Mrs. Stewart were married in Ontario on April 8, 1918. Upon Mr. Stewart's completion of serving with the Army during World War I, they lived in Los Angeles and Long Beach prior to establishing residence at 830 West Sixth St. They lived on West Sixth St. for 35 years before moving to their present residence of 1404 North Euclid Ave., Upland.

Mr. Stewart has long been a citrus rancher throughout the valley, carrying on the family tradition established by his father, the late W.B. Stewart, one of the first pioneer settlers in the area.

Mr. Stewart is affiliated with the following organizations: Ontario Rotary Club for 32 years; Ontario-Upland Y.M.C.A. Board for 30 years; San Antonio Water Company Board of Directors for many years; President of the San Antonio Community Hospital for 10 years; Upland Lemon Growers Association Board of Directors.

Mrs. Stewart was active for many years in the Navy Mother's Club and the former Lyric Club, and she was considered an outstanding soprano soloist throughout the Pomona Valley for many years.

Additional members of the family meeting the guests throughout the afternoon were: Mrs. Milton R. Stewart, member of original wedding party; Lawrence Crawford, grandson; William R. Lee, grandson by marriage; and William Stewart Lee, Great-grandson.

Saint Joseph's students win sweepstakes in speech contest

Thirty four students of St. Joseph's school in Upland walked off with seventeen awards and the Sweepstakes Trophy Award at the Ninth Annual Speech Contest held recently at Damien High School in La Verne. Six other Parochial grammar schools participated in the event.

A four-way tie for first place in Debate was shared by St. Joseph Students Steve Ball, Ken Reinstadler, Marie Liberatoro, Wendy Elgie. Third place went to Albert Canestro and Mike Reardon and fourth place, also a four way tie, to Carol Smith, Janet Boyd, Jim Newman and the team of

Orlando Mistretta and Rusty Smith.

In Oratorical Interpretation, second place was given to Terrence Krueger, fourth place to Steve Zemba, fifth place to Russell Grillo and sixth place to John Hocum.

Placing first in Extemporaneous Speaking was Paul Pomeroy with Tom Lucero, fourth and Richard Presto, fifth. In Dramatic Speech, Susan Galvin placed first, Jackie Eannarino, second, and Teresa Higelin, fourth. Sydney Simoni placed third in Original Oratory.

Other students participating

were: Jeff Ball, Caroline Eagle, Mary Bangert, Jeannie Bello, Veronica Nunez, Judy Ragone, 7th graders; Stephini Geler, Linda Vagnozzi, Olivia Lucero, Ralph Secinaro, Steven Padilla, Cynthia Sparks and Eddie Zanrosso, 8th graders.

Schools taking part in the Speech Contest included St. Joseph, Sacred Heart, Pomona; St. Dorothy, Glendora; Our Lady of Assumption, Claremont; Holy Name of Mary, San Dimas, St. Christopher, W. Covina.

All of the Speech contestants of St. Joseph and the Presentation Sisters were treated to a spaghetti dinner at DeCenso's Restaurant.

Sycamore Villa

The monthly pot luck was an outstanding success. Tables were decorated in green and white and as always the food was delicious and abundant. The table decoration and table service was delightfully done by Jo Kaylor and her committee: Julie Mosley, Mildred Smith and Zae Cummings.

Helen Whaley took charge of the birthday table and individual birthday cakes were enjoyed by the following whose special day was celebrated: Jack Anderson, Mimi Campagnone, Frank Campagnone, Irene Gustafson, Rita Hardy, Roy Herrmann, Mary Herron, Gerald Herron, Harvey Newman, Mary Powers, Alice Seymour, Burton Smith

and Marion Walker. We had as our guests for the pot luck dinner Mr. and Mrs. Cal Shores from the Southern Calif. Edison Co., Dr. Du Vall, Mr. and Mrs. Larry Navarrette, Ben Maikall and Donna Viggiano from the Cucamonga Fire Station.

Mr. Shores ran a very informative and beautiful film followed by a film from the fire department showing emergency measures of heart-lung resuscitation. Dr. DuVall gave a most informative talk on the subject and showed slides. Demonstrations were given on "Ankle" the lifelike manikin by Ben Maikall and Larry Navarrette.

A tour was made by 40 residents of Sycamore Villa Mobile Home Park to the trophy room of Mr. John Belcher in Upland. A spectacular evening was enjoyed by all. There, they were privileged to view what is considered to be the finest collection of big game trophies in this country today.

The group was shown a magnificent color film of hunts ranging from the Salton Sea to the Arctic circle including Alaska and Canada. Many scenes of beautiful country, animals as well as hunting and fishing exploits were shown in the films. Mr. Belcher was a most interesting and gracious host.

Church Women United Fellowship Day

"Are you a Name or a Number?" Using an IBM card as a tallyman, the Church Women United of the Ontario Communities invite all women of the area to join them in the nation-wide annual May Fellowship Day, Friday, May 3, at Ontario High School.

Adapting the national theme, "Human Values in a Technological Society: Anonymity and Community", the CWU will spend part of the day exploring local schools, industries, and services.

Mrs. Alex McLeish and Mrs. John Casenave, co-chairmen, are arranging guided tours, beginning at the newest high school in the Chaffey Union High School District. Principals of all five high schools, and the central district administrative staff will be introduced to the women in the first step toward identifying names with faces.

Following a "bring your own" lunch, the women will discuss their observations during the separate tours, concerning the development of a meaningful community in a technological society.

Members of some 30 community churches are expected to attend the day-long program. All interested women in the community are welcome, according to Mrs. McLeish.

Officers of the Church Women United of the Ontario Communities are Mrs. Harold B. McCreight, president; Mrs. Harvey Shirk, vice-president; Mrs. John Coldsnow, secretary; Mrs. Clyde Bingham, ecumenical director. Mrs. Harry Picard is serving as publicity director for the local May Fellowship Day.

JAYCEE-ETTE OF THE YEAR — Linda Freitag, left is congratulated by Mrs. Kay Condra, newly installed president of the Upland-Ontario Jaycee-ettes. Linda joined the club in 1965 and has held the offices of president, recording secretary, membership chairman and vice president. She and her husband, Jack, live with their three children, Debbie, Billy and Shari at 1360 W. Harvard Pl., Ontario.

Snyder-Butherus vows solemnized

The marriage of Miss Deborah Ann Butherus to Mr. Ronald Joseph Snyder took place in St. Joseph's Catholic Church, Pomona, on March 30th. She is the daughter of Mrs. Albert J. Butherus of East Harvard Place, Ontario, and the late Mr. Butherus. The bridegroom's parents are Mr. and Mrs. T. F. Snyder of Val Vista, Pomona.

The Rev. Father Jerome L. Cummings officiated at the noon ceremony which was attended by 400 guests.

The bride wore a candlelight Chantilly lace cape with chapel train and long sleeves, which featured buttons from neck to scalloped hemline. Her orange blossom portrait headpiece was of candlelight French illusion in full five length tier. The bridal bouquet was white roses with stephanotis and fern.

Miss Pamela Butherus, attended her sister as maid of honor. Bridesmaids were Miss Judy Butherus, another sister; Miss Linda Lombardo of Upland, Miss Moni Lou Snyder, sister of the bridegroom, and Mrs. Doyle Barker of Upland. They wore lime green A-line dresses designed with tiny cap sleeves and inserts of lace from sleeves to hemline. Short, off-white gloves complemented lime green horsehair hats with small bows in back.

Miss Liza Marie Lindley of Cucamonga was flower girl, and Mark James Lindley carried the ring.

Gregory Snyder, brother of the bridegroom was best man. His ushers, attired in morning suits with stephanotis boutonnieres, included two brothers, Gary Snyder and Jeffery Snyder, both of Pomona; Peter Leland of Covina, and Joseph Fotheringham of Ontario.

From New Jersey came Miss Patricia Perraud, cousin of the bride, to sing Ave Maria, Panis Angelicus, On This Day and Oh, Beautiful Mother.

Altar boys were the bridegroom's brother, Theodore Snyder, and Arthur Perraud, cousin of the bride.

The mother of the bride wore samron rose silk shantung, with a green and white flowered hat; she carried a green cymbidium decorated rose handbag.

The groom's mother was at-

tired in taupe lace with a flowered hat and a corsage of orchids.

A champagne buffet at the Upland Inn followed the ceremony. Out of town guests included Mrs. Louis Perraud, grandmother of the bride, Mr. and Mrs. L. Alan Perraud, Miss Patricia Perraud, Miss Catherine Perraud, Miss Miki Perraud, Miss Anne Marie Perraud and Master Arthur Perraud, of New Jersey; also Mr. Gene L. Perraud of Highland Park, Ill., Mr. and Mrs. Leon O. Perraud of Anaheim and Mrs. Chris Manteau of Indianapolis.

After a San Francisco honeymoon, the couple will reside at 934 Springfield Ave., Upland. The new Mrs. Snyder is employed by Gene's Drug Company, Upland. She was graduated from Pomona Catholic Girls High School. The groom, a business major at Cal Poly, Pomona, is a graduate of Pomona Catholic boys High School, and is employed in Ontario by Tascoco Products.

Citrus LL sets dance; work party

There will be a kick-off dance at Sweeten Hall on May 10, for the purpose of allowing Citrus Little League officials and managers to meet the parents of the boys.

Boys are selling tickets for the annual breakfast which will be held on Sunday, April 28, at Bill's Ranch Market. The Breakfast is the League's biggest fund-raising event of the year, the proceeds help to defray many expenses.

Fathers' help is needed on a work-party at the field on Saturday, April 20. This is all fathers, both minor and little league. Work will begin at 8 o'clock and continue as long as there are helpers working.

"The importance of this work-party cannot be stressed too much; without it, the field will not be in good playing condition for the beginning of the season," according to a league announcement. "Many of the fathers have already donated their time but the majority have as yet not shown their co-operation."

Student plans European trip this summer

Loretta Simon, daughter of Mr. and Mrs. George M. Simon of 9576 Bolton, will represent the Chaffey Union High School District performing with student members of the Southern California Youth Choral during a four week European tour this summer.

The group will depart Los Angeles International Airport on July 15 with their first stop in Frankfurt, Germany. After a two day stay at the initial starting point the Choral will visit Cologne, Brussels, London (6 days), Paris (4 days), and Lucerne, Switzerland.

Three cities in Italy will be seen in their tour: Como, Florence and Rome. Next, they will travel to Vienna and Salzburg in Austria. Finally the group will return to Germany, stopping in Nuremberg, Rosenburg and Durep for home from Frankfurt on August 17.

The trip is financed at a cost of \$860, including meals, lodging and traveling expenses, by each student and is planned as a combination work and sightseeing trip -- with 8 singing engagements scheduled.

Miss Simon, a junior at Montclair High, was selected to become a member of the 1968 SYC after passing the qualifications for the honor.

Once a year applications are sent to high schools and colleges by Southern California Youth Choral, Inc., a non-profit organization, which selects 70 singers between the ages of 16 and 21, based on vocal talent, musicianship, personality, and moral character. Required for an audition are recommendations from the school's choir director and other professional leaders in the community.

"The Whole World Needs Christ" is the theme of the Fifth Annual Missionary Conference at the Foothill Baptist Church beginning, tonight, Wednesday, April 17, at 7:15 p.m.

Rev. Dean Blackwelder will be the first speaker for the month-long meeting it was announced by the pastor, Rev. Bernard E. Andrews.

Rev. Blackwelder, a veteran missionary from Brazil will tell of his work establishing churches in northeastern Brazil. Rev. Leonard Tugger, beginning his second term as a missionary in the Philippines, will be the guest speaker for

all the services Sunday, April 21.

Blackwelder and his family first went to Brazil in 1952 with the Conservative Baptist Foreign Mission Society, Wheaton, Ill. He graduated from UCLA and Fuller Theological Seminary, Pasadena. Rev. Blackwelder uses his airplane to reach remote villages in his evangelistic work.

Rev. Tugger will speak during the Sunday School hour and will give a brief testimony during the morning service. He will bring the evening message at 7 p.m. Tugger's work has been in the Quezon province in and near the city

of Lucena.

Tugger is the son of missionary parents and graduated from the University of California and Fuller Seminary. He serves under the Conservative Baptist Foreign Mission Society also.

New potatoes are not the only exception to the bake-long-boil-round rule. Almost any variety of potatoes can be an exception. Different growing areas can produce slightly different potatoes of the same variety. California's famous Long White potatoes are a good "for instance."

Foothill Council PTA seeks volunteer help for new Youth Center

The First Presbyterian Church in Upland was the setting for the April meeting of Foothill Council Parent-Teacher Association. Mrs. Milton Stone, president of the Valle Vista unit, led the assembly in the Pledge of Allegiance and Mrs. Joe Voss, council character education chairman, had a humorous thought for the day, "Recipe for Success."

Mrs. Boris Cherbak, council president, presided over the business session. Mrs. Jesse Wise, council parliamentarian, reported the Upland Youth Recreation Center will open May 3.

At present the Center is planned for Upland High school students only. As time progresses, it is hoped the Junior High School students can be included. Volunteer chaperones are needed, also furniture to make the center comfortable for the teens. Anyone interested please call Mrs. Briscoe Root, Council safety and juvenile protection chairman, 982-6716 or Mrs. Wise, 982-5141.

In the absence of Mrs. Floyd Easterday, publicity chairman, Mrs. J.W. Masters, council secretary, had the pleasure of presenting the following units with Council publicity awards: Alta Loma High, Upland High, Upland Junior High, Pioneer Junior High, Etiwanda, Alta Loma Elementary, Baldy View, Citrus, Valencia, Valle Vista, Sierra Vista.

Mrs. A.T. Arbezzi, council historian, with assistance from council chairmen, presented a skit to the assembly: "How not to conduct a PTA Meeting". The cast consisted of the following: Mmes. Milton Fisher, past president, Cherbak, Wise, Masters, Charles Hawk, newsette, Ray Stansbury, program, Lawrence Ornelas, honorary life membership, Thomas Lees, hospitality, Stanley Hoffman, motion picture, and Arbezzi standing in for Mrs. Gene Marshall, treasurer. It was noted with interest through the historian's report by Mrs. Arbezzi, Foothill Council did not stand still but is progressing as the years go by. Through hard work, \$75.00 was realized for a scholarship fund for a student. A tour through Juvenile Hall in San Bernardino was conducted where Council could present a check of \$30.50 to their fund. An increase of 277 PTA members was noted by Council with an increase of 421 tickets for the PTA summer matinees.

Cancer Crusade Kick off meeting sets drive dates

The Cucamonga, Alta Loma and Etiwanda Units of the American Cancer Society held a campaign kick-off meeting Monday morning, at the Sycamore Inn.

Unit officials attending were Mrs. Joseph Guidera, Cucamonga crusade chairman; Alan E. Swinler Jr., Cucamonga Business Chairman; Miss Ada Cooper, Cucamonga residential chairman; Mrs. Elmer Williams, Alta Loma crusade chairman; Mrs. Scott Robinson, Etiwanda crusade chairman; Mrs. Thomas A. Gibson, area director of volunteers.

Mrs. Guidera announced the dates of the cancer drive as April 19, 20, and 21, with the 21st being Cancer Sunday. The goals she stated were \$2,375 for Cucamonga, \$900 each for Alta Loma and Etiwanda. Mrs. Bessie Clark of the West End Area Office said "It is important for each community to achieve its goal."

Though the April crusade is primarily a fund raising activity, this period is also used to distribute to each family a life saving pamphlet containing a list of cancers seen signals.

Swinler introduced the guest speaker County Crusade Chairman Alden Reid, a San Bernardino attorney.

"We can be proud of the work we do and the efforts we put forth," Reid told the volunteers present. He related an inspiring story of a 24 year-old housewife who was recently cured of cancer by massive administration of a new drug developed through research conducted by the American Cancer Society.

"The A.C.S. is largely responsible for research leading to new developments in drugs and chemicals to cure cancer," he added. "Without volunteers there would be no American Cancer Society. Two million people in the United States are similarly engaged in this activity and, as a result of their efforts, our children and our children's children may live in a world which is virtually free of Cancer."

A dance is being planned for May with the proceeds from the newspaper collections that members hold once a month, going towards the expenses. Anyone having newspapers they would like to have picked up, please call Paul Schiro at 982-4278.

Preparations are being made by St. Joseph's Catholic Teen Organization for an old-fashioned Ice Cream Social which will be held on Sunday, May 5, following the May crowning of the Blessed Mother.

Ice Cream, cake and punch, "All you can eat for a dime," will be served by members of the C.T.O., in the lunch pavilion of the school grounds, according to President Bill Macioci. The annual crowning of the Virgin will take place after the 12:15 Mass, with all the students of St. Joseph school and C.C.D. classes taking part.

The occasion will also provide an opportunity for the parishioners to become acquainted with the new pastor, Rev. Fr. Thomas Biody, who is arriving April 26, from the parish of St. Francis Xavier Cabrini in Crestline. Officers of the newly organized C.T.O., assisting President Macioci, are Marsha McDaniels, vice-president; Cynthia Poboj, secretary; and Jody Beck, treasurer.

Pony League to lay plans

There will be a general meeting of all persons interested in Cucamonga Pony League, Wednesday, April 17, at 7:30 p.m. at Carnellian School in Alta Loma.

All parents of players, managers, coaches and officers are urged to attend as this will be the last meeting before opening day of the League.

There will be a discussion of plans, financial report involving sale of Raffle Tickets and contributions from supporters of the League.

Cucamonga Pony League consists of 6 teams of boys from ages 13 to 15 living in the Cucamonga, Alta Loma, Quasti and Etiwanda area.

Teams are practicing now and opening day is scheduled for May 18. At this time the drawing will be held for the winner of the color TV and other prizes.

Zone hearing set on land in Etiwanda

A hearing on changing some land in the Etiwanda area to exclusive agricultural zoning has been set by the County Planning Commission for 2 p.m., April 18.

The land is generally located on the north side of Foothill Blvd. between Rochester and Etiwanda Aves.

The land is currently zoned A-1 limited agriculture and R-1 single family residential.

The official notice of hearing from the County said the action had been initiated by the Planning Commission, and after listing the proposed zone

adding, "and/or such other zoning classification and parcel sizes as the Planning Commission may deem appropriate."

Keith Hubbs, Chairman of Mayor Jim Christensen's GOP campaign in the 72nd Assembly District, announced recently that Bill Vallon, Upland, has been appointed Finance Chairman for Mayor Christensen's campaign.

Vallon, owner of the Upland Inn Hotel and Restaurant, is a former President of the Retail Merchants Association, a former Director of the Upland Chamber of Commerce, Director of the Upland Teen

Club, and a member of the Elks and Lions Clubs.

"I was delighted that a man of Bill Vallon's stature has accepted such a vitally important position in my campaign," Christensen said.

"Bill is one of the most respected merchants and one of the true community leaders here in Upland. He has helped in many of our city problems and I am honored that he has chosen to help me in our campaign effort," Christen-

sen concluded.

Vallon was quoted as stating, "This is my first real venture in a partisan political campaign. I have watched Jim Christensen develop into a fine city official. Because of this I am committed to helping send Jim to Sacramento. The rather stereotyped political atmosphere in California needs a man who says exactly what he thinks to anyone who will listen. Jim says it and then stands firm."

sen concluded.

Vallon was quoted as stating, "This is my first real venture in a partisan political campaign. I have watched Jim Christensen develop into a fine city official. Because of this I am committed to helping send Jim to Sacramento. The rather stereotyped political atmosphere in California needs a man who says exactly what he thinks to anyone who will listen. Jim says it and then stands firm."

Ship travel transcends mere transportation

By DONALD W. REYNOLDS

ABOARD S.S. RAFFAELLO

Traveling aboard a modern ocean liner is a way of life that far transcends the average workday, a business of merely getting to a destination.

Unfortunately it is a way of life that is rapidly vanishing along with small towns, general practitioners and vegetables.

And life will not be so pleasant with only the megalopolis, specialist and frozen food lockers left.

Ship designers have attempted to keep up with the par of modern living -- the Raffaello, built in 1963 has eighteen elevators, 742 cabins to accommodate 1775 passengers and facilities for 700 crew members.

There are six swimming pools and the theatre seats 500 persons. Everything is air conditioned including the pet kennels. With all of these facilities there are less than 400 passengers aboard. Unless this particular "why?" can be answered, the Queen Mary was but the beginning of a parade headed for permanent docks or scrap heaps around the world.

The financially hard-pressed Italian government can't eternally subsidize, as Great Britain decided when she reluctantly retired the Queen Mary and Queen Elizabeth. So the last retreat of the solvent bachelor and wealthy widow is about to go the way of the passenger train.

It is unfortunate, for ship travel offers things that jets can counter only with speed. True, I can fly from New York to Naples in less than eight hours, while the ship takes that

many days; but what can a lazy man do with the saved seven and a half days that he can't do better on the ship? The jet can manage a couple of good meals while the ship provides twenty-five -- the plane has two dozen magazines while the floating palace provides a complete library -- then that very exciting stroll from your plane seat to the washroom hardly compares with the equipped gymnasium, the trap shooting, the masseur, and the night clubbing offered by the liner.

And as for conversation, what staccato jet fast talk can compare with the leisure inspired imagination that in the three days we have been separated from mainland newspapers, comes up with the fanciful premise that the Republican party, anxious to win, will nominate Bobby Kennedy for president -- and that the New York Senator, even more anxious to win, will accept the nomination and go on to victory in November! To me such gossip comes only from inspired dreaming, and inspired dreaming in depth certainly comes only with abundant leisure.

My fellow passengers also wonder why our liners are going the way of the buffalo. Finally there is a consensus -- it is the floating cruise ships that are bent on self-destruction. And as I recall the horrors of a holiday cruise aboard the Statendam to Acapulco over this past Christmas and New Years, I join in the general agreement. Overcrowded, yet underfed; overorganized to a

Well, the election is all over, and it produced no surprises in Upland.

The voters generally endorsed the policies of the whole city council in giving the two incumbents an over-whelming vote of approval.

There were variations from precinct to precinct, but the Civic Center, the Concourse, Boys Club, generally the entire program was endorsed by the voters.

Have we heard the last of the rail spur? I wouldn't bet on it. It was defeated by that slim 109 votes, and that came about because only two precincts really turned out.

Precincts 8 and 9, which straddle the spur, voted 515 to 25 to kill the spur, but the rest of the city cut that down to a 109 plurality. It was not clear-cut mandate, no landslide victory.

Those two precincts are the only ones where Robert Burroughs ran well. He is the candidate who bases his whole philosophy on negativism. Still sore about the way he campaigned. He chose a dead issue, and the voters knew it.

Alfred Salkind tried his darndest to ride into office on a rail spur, but got nowhere, even in precincts 8 and 9.

There must be a lesson in practical politics there somewhere.

The voters in the San Gabriel -- Pomona Valley area chose to throw out of office about one-third of the incumbents. This may be the year that some of the incumbents on other ballots get a kicking. Being an incumbent does not necessarily mean the magic key to the voters' hearts.

Upland's incumbents were given approval in good style, but just enough voter unrest showed up in other places to warn incumbents for Assembly and Congress to run scared.

Maybe this is the year May, or Jim Christensen will make it against John Quimby. I'm sure Quimby isn't going to do anything to make it any easier for Christensen.

If the Democrats don't get a better candidate than Mayor Al Ballard of San Bernardino, Jerry Pettis looks like one incumbent who won't have too much to worry about. Pettis is a good man for the job, and should be tough to beat.

Maybe he'll be like the two Upland incumbent Councilmen -- get an endorsement from the voters.

One thing sure -- with this hateful mophead in the presidential race, it's going to be an interesting election year.

CALDWELL, N. J., PROGRESS: "True... legislation can improve conditions -- but only to a point. Just how far can the state legislate morality, intelligence, motivation and respect for the rights of others?"

NOTICE OF TRUSTEE'S SALE No. 66-970

On May 7, 1968, at 9:00 A.M. at West Valley Municipal Court (Main Entrance) 1050 West Sixth Street City of Ontario, California, ROBERT E. WEISS, as Trustee, under the deed of trust made by JASPER R. YOUNGS and JANE YOUNGS, husband and wife and recorded September 21, 1965, in Book 6476, Page 568, of Official Records of San Bernardino County, California, given to secure an indebtedness in favor of ADVANCE MORTGAGE CORPORATION, a Michigan corporation now owned and held by WARREN BANK by reason of the breach

TOUR OF UPLAND'S SISTER CITY -- A group of young people touring the city of Caborca under the auspices of World Gospel Crusades of Upland. The tour was personally conducted by Dr. Carlos Valencia Ocaña, president of the municipality (front row, second from right.)

A GIFT FOR UPLAND'S SISTER CITY -- Dr. C. Mervin Russell, president of World Gospel Crusades, presents Dr. Carlos Valencia Ocaña, with a copy of the Holy Scriptures in the Spanish language.

Sister City visit is great success for local young people

Fifty-two energetic young people from California spent four days in Upland's new sister city, Caborca, Sonora, Mexico, April 8 through 11. The group was cordially received by Dr. Carlos Valencia Ocaña, president of the municipality, and were invited to sing for him at a reception in his office, at which time Dr. C. Mervin Russell of World Gospel Crusades of Upland, presented him with a leather-bound edition of the Holy Scriptures in Spanish.

The group, mostly from the local area, traveled to Caborca by bus, auto, and private airplane under the direction of Rev. Glen Terry, 259 Bufington St., Upland, assistant to the President of World Gospel Crusades.

The young people visited practically every home in the city, bringing greetings from California. On Tuesday and Wednesday nights they presented a musical greeting and the science film, "Dust or Destiny" in the ball stadium in Caborca and in a nearby village.

A crowd of approximately 2,000 were present for the Wednesday night good-will exchange. The following young people and counselors participated from the West End: John Bloom, Marilyn Bloom, Denise Ernst, Richard Rawson, Larry Horn, Richard Johnson, Steve Lovelace, Linda Kelley, Jane O'Brien, Sharon Riddle, Denise Bangle, Emily Benham, Marsha Engle, Rebecca Eynon, Susan Eynon, Jeanene Gray, Adele Reichers, Helyn Sammon, Sherri Tennent, Melinda Whitcomb, Susan Winter, Rebecca Hunt, Woodrow Brimm, Ronald Cornelius, Darrell Hamilton, Mike Mc Nichols, Joseph Parker, Byron Potter, Steve Proctor, Russell Sammon, Samuel Dockery, Rev. Bruce Webb, Rev. Glen Terry, Mrs. Janella Dockery, Dr. and Mrs. C. Mervin Russell.

Christensen testimonial scheduled

Keith Hubbs, general chairman of Mayor Jim Christensen campaign committee in the 72nd Assembly District announced that the committee plans a \$10 per plate banquet and testimonial dinner for Jim Christensen on Monday, April 22, at the Upland Inn. Social hour will be at 6:30, with dinner at 8 p.m.

"We are fortunate to have as master of ceremonies Danny Villanueva, the kicking star of the Dallas Cowboys and the featured speaker, television actor Ed Nelson, star of Peyton Place."

Seventh-day Adventists to study God's promises

Can a promise given by God who has never been seen be believed?

That question will receive special study at the West End Seventh-day Adventist Church, 856 N. Sultana, Saturday, April 20, at 10 a.m. by congregational members meeting in five different adult study groups.

"Twentieth century materialism -- everything has to be seen, felt, proven by sight -- causes even some longtime Christians to question whether or not the promises of God written in the Bible are relevant to our day," said Mr. Elmer Cornwell, 122

E. I. St., Sabbath school director of the local church, in announcing the Saturday morning study plan.

According to Cornwell the question of believing God's promises will be part of a discussion entitled "Faith and God's promises" which church members and interested visitors will study from the Biblical books of Philimon, Psalms, Ephesians, Matthew, James, Isaiah, Deuteronomy, Revelation, Romans, Jeremiah, Mark, II Peter, Acts, Numbers, II Corinthians and I John.

But Cornwell also noted that the church's 9:30 a.m. Sabbath school service will close at 10:15 and the usual 11:00 a.m. Worship Service conducted by Pastor Ansel L. Bristol of Upland will start at 10:30 and end at 11:15 a.m.

The change in time will be made so members who wish may get home, have an early lunch and be able to get down to Long Beach to attend the 2:30 meeting of the large Western Youth Congress being held April 17 to 20.

This Congress will be drawing some 15,000 Seventh-day Adventist young people from five Western States.

RESOLUTION OF INTENTION TO LEASE REAL PROPERTY AND INVITATION FOR BIDS ON SAID LEASE

BE IT RESOLVED THAT it is the intention of the Governing Board of the Upland School District to lease a citrus grove located on the north side of East 22nd Street in the City of Upland, legally described as follows:

Lot 202, according to Map of Ontario, in the City of Upland, County of San Bernardino, State of California, as per plat recorded in Book 11 of Maps, Page 6, records of said County.

The terms and conditions of said lease shall be as follows:

1. Said property shall be leased for farm purposes only and no structures shall be erected thereon.
2. Lease shall run for a period beginning July 1, 1968 and ending June 30, 1971.
3. Lease shall not include furnishing use of water stock.
4. Lease shall not include the use of orchard heating equipment.
5. The minimum rental fee for the use of this property shall be \$500 for the period July 1, 1968 to June 30, 1969 and \$500 per year thereafter, payable annually on or before July 1, first payment due and payable July 1, 1968.
6. The Board of Trustees of the Upland School District reserves the right to cancel this lease at the end of any complete rental year ending June 30, by giving written notice not later than March 1.
7. The Board of Trustees of the Upland School District grants to the lessee the right to cancel this lease at the end of any complete rental year ending June 30, by giving written notice not later than March 1.

Sealed proposals shall be received and considered at the Board meeting to be held May 14, 1968 at 7:30 p.m. in the Board Room, 904 West Ninth Street, Upland, California. Bidders must use bid forms supplied by the Upland School District. This form may be obtained at the office of the Assistant Superintendent for Business of the Upland School District, 904 West Ninth Street, Upland.

Notice, acceptance of bids, oral bids, rejection of bids, execution of lease and all other acts or matters connected herewith shall conform with the provision of Division 12, Chapter 2, Article 2, of the California Education Code.

NOTICE INVITING BIDS FOR CONSTRUCTION OF SHOP BUILDING FACILITY

NOTICE IS HEREBY GIVEN that sealed bids will be received in the office of the Purchasing Agent of the City of Upland, California, up to 3:00 o'clock p.m. on May 1, 1968 and will be publicly opened by the City Manager at 3:00 o'clock p.m. on May 1, 1968 for the construction of Shop Building Facility, all in accordance with Standards, Specifications, and other approved Contract Documents therefor, on file in the office of said City, to which specifications bidders are referred for further information.

Plans and Specifications and all contract documents may be obtained at the above-mentioned office of the Purchasing Agent upon payment of a fee of \$1.00 for each set of plans and specifications, which payment is non-refundable.

Each proposal must be accompanied by a certified or cashier's check or bid bond in the amount of 10 per cent of the total bid price, payable to the City of Upland, as a guarantee that the bidder, if his proposal is accepted, will promptly execute the contract, secure payment of workmen's compensation insurance and furnish a satisfactory faithful performance bond in the amount of 100 per cent of the total bid price, and a labor and material bond in the amount of 100 per cent of the total bid price.

Pursuant to the provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages

for legal holidays and overtime work, for each craft or type of workman needed to execute the work contemplated under the Agreement, as ascertained and set forth in Resolution No. 1978 adopted by the City of Upland City Council, shall be paid to all workmen employed on said work by the Contractor or by the subcontractors doing, or contracting to do, any part of said work.

All others shall be paid at the prevailing rates paid in the County of San Bernardino. Overtime applicable to each classification shall be paid at the prevailing overtime rate in the County of San Bernardino. The foregoing schedule of hourly wage rates is based on a working day of eight (8) hours. The hourly wage rates prescribed herein above are the per diem rates divided by the aforementioned number of hours constituting a working day. It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the specified rate to all laborers, workmen, and mechanics employed by them in the execution of the contract.

Bids must be returned to the office of the Purchasing Agent enclosed within a sealed envelope with the words "Bid Shop Building Facility" plainly marked on the outside of the envelope.

The right is reserved to reject any and all bids which the City Council may deem not to be the best interest of the City and also the right to waive any informalities in a bid, and the right to award the contract for the above described work within 30 days thereafter.

Work of construction shall begin within 10 days after the execution of the contract and shall be completed within 120 calendar days.

Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the Chief Building Official of the City of Upland. Proposal blanks and copies of the plans may be obtained from the office of the Purchasing Agent.

1982	25,000	1997	50,000
1983	25,000	1998	50,000

INTEREST: The bonds shall bear interest at a rate or rates to be fixed upon the sale thereof but not to exceed seven per cent (7%) per annum, payable annually the first year and semiannually thereafter.

PAYMENT: Said bonds and the interest thereon are payable in lawful money of the United States of America at the office of the principal paying agent of the district, the First National Bank and Trust Company of Ontario, Ontario, California, or, at the option of the holder, at Crocker Citizens National Bank, Los Angeles, California, or at the First National Bank of Chicago, Chicago, Illinois, or at the First National City Bank, New York, New York.

REGISTRATION: The bonds will be coupon bonds registrable as to principal and as to both principal and interest.

REDEMPTION: No bonds are callable on or before June 1, 1983. On June 1, 1984, or optional interest payment date thereafter, bonds maturing on or after June 1, 1989, are subject to call in whole or in part, in inverse order, and at par plus accrued interest and a premium of 1/4% for each year or portion of a year from the redemption date to stated maturity.

PURPOSE OF ISSUE: Said bonds were authorized for the purpose of the acquisition and construction of works, property, rights and privileges useful or necessary to supply, convey, store or make use of water.

SECURITY: Said bonds are issued pursuant to the County Water District Law, Division XI of the Water Code of the State of California. Under said law if the district has no revenue or if the revenues of the district are or in the judgment of the Board of Directors are likely to be inadequate to pay the interest on or principal of said bonds as it becomes due an annual tax shall be levied and collected upon all taxable property within said district sufficient to pay the principal of and interest on said bonds as the same falls due.

TERMS OF SALE

Interest Rate: The maximum rate bid may not exceed % per annum, payable annually the first year and semiannually thereafter. Each rate bid must be a multiple of 1/20 of 1%. No bond shall bear more than one interest rate. Each bond must bear interest at the rate specified in the bid from its date to its fixed maturity date. Only one coupon will be attached to each bond for each installment of interest thereon, and bids providing for additional or supplemental coupons will be rejected. The rejection of any rate will not be considered the bidding of an additional rate. The rate on any maturity or group of maturities shall not be more than 2% higher than the interest rate on any other maturity or group of maturities.

Award: The bonds shall be sold for cash only. All bids must be for not less than all of the bonds hereby offered for sale and each bid shall state that the bidder offers par and accrued interest to the date of delivery, the premium, if any, and the interest rate or rates at which the bidder offers to buy said bonds. Each bidder shall state in his bid the total net interest cost in dollars and the average net interest rate determined thereby, which shall be considered informative only and not a part of the bid.

Highest Bidder: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the district would be required to pay from the date of said bonds to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The purchaser must pay accrued interest (computed on a 360-day year basis) from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

Right of Rejection: The district reserves the right, in its discretion, to reject any and all bids and, to the extent not prohibited by law, to waive any irregularity or informality in any bid. Prompt Award: The district will take action awarding the bonds or rejecting all bids not later than twenty-six (26) hours after the expiration of the time herein prescribed for the receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given to said Board notice in writing of the withdrawal of such proposal.

Place of Delivery: Delivery of said bonds will be made to the successful bidder at any place mutually agreeable to both the Auditor of the District and the successful bidder.

Prompt Delivery, Cancellation for Late Delivery: It is expected that said bonds will be delivered to the successful bidder within thirty (30) days from the date of sale thereof. The successful bidder shall have the right, at his option, to cancel the contract of purchase if the district shall fail to execute the bonds and tender them for delivery within sixty (60) days from the date hereof fixed for the receipt of bids, and in such event the successful bidder shall be entitled to the return of the check accompanying his bid.

Form of Bid: Each bid, together with the bid check, must be in a sealed envelope, addressed to the district, with the envelope and bid clearly marked: "Proposal for CUCAMONGA COUNTY WATER DISTRICT WATERWORKS BONDS, ELECTION 1967, SERIES 4."

Bid Check: A certified or cashier's check on a responsible bank or trust company in the amount of \$5,000, payable to the order of the district, must accompany each proposal as a guaranty that the bidder, if successful, will accept and pay for said bonds in accordance with the terms of his bid. The check accompanying any accepted proposal shall be applied on the purchase price or, if such proposal is accepted but not performed, unless such failure of performance shall be caused by any act or omission of the district, shall then be cashed and the proceeds retained by the district. The check accompanying each unaccepted proposal will be returned promptly.

Change in Tax Exempt Status: At any time before the bonds are tendered for delivery the successful bidder may disaffirm and withdraw the proposal if the interest received by private holders from bonds of the same type and character shall be declared to be taxable income under present federal income tax laws, either by a ruling of the Internal Revenue Service or by a decision of any federal court, or shall be declared taxable by the terms of any federal income tax law enacted subsequent to the date of this notice.

Legal Opinion: The unqualified opinion of O'Melveny & Myers, attorneys, approving the validity of said bonds will be furnished

Community Concert Association sets annual membership drive

Plans for the Community Concert Association's fifteenth annual one-week Membership Campaign for 1968-1969 have been mapped and invitations for the kick-off dinner have been mailed.

The Membership Campaign will be officially launched with a kick-off dinner to be held at the Bethel Congregational Church, Euclid Ave. and F St., Ontario, 7 p.m., Monday, April 22. Mrs. Stuart Brockway is dinner chairman.

A musical theme for decorations has been planned by Mrs. Brockway. She will use musical motifs in plastic, surprise wax swirls and place mats. Officers, division chairmen, team captains and workers will be greeted by Mrs. Brockway.

Officers presiding at the dinner meeting will give instructions to workers for enrolling members. The dates of the Campaign are April 22 through April 27.

Workers from the Cucamonga and Alta Loma areas are: Mrs. Edward Capparelli, Paul Makala, William Blanchard, Mrs. Halsey Taylor, Gregory Henriksen, Mrs. Steve De Ambrogio, and Mrs. Don Bowers (Alta Loma High School).

This year the following Montclair people may be contacted for memberships: Gladys Carroll, Kathy Stager and Carl Schafer.

The purpose of the Membership Campaign is to ac-

cept renewal memberships from past subscribers and to enroll new members for a series of concerts to be given in the Gardner W. Spring Auditorium. The Community Concert Plan makes available to the community the finest concerts, and brings nationally-known artists to the West End Area at a price everyone can afford.

Since the Community Concert Plan was introduced many distinguished artists have been brought to this area. The Upland-Ontario Community

Concert Association has brought vocal soloists, pianists, duo-pianists, orchestras, and choruses, Tipton Chamber Orchestra, Paganini Quartet, Egar Players, Theatre Men and The Romeros. The 1968-1969 Season will present the same high-quality program with top-flight artists.

The Upland-Ontario Community Concert Association is a non-profit organization with annual membership fees of \$7 for adults and \$3.50 for students. Under the Community

Concert Plan, workers will receive one adult membership for each \$70 value of memberships sold; and for \$105 one adult and one student membership. Student workers may receive a student membership free for each \$35 value of memberships. PTA or other groups buying five or more student memberships will be given one adult card for the use of a chaperone.

The Community concert Plan entitles members to attend all concerts given by the association each season.

Community Concerts is a national organization and a membership card admits to all concerts on the reciprocity list at no extra charge or cost.

Through this medium, the world's finest artists are brought to this area in programs of high caliber. Everyone in the area is cordially invited to join; this is a community project.

Members for the forthcoming season are assured of three outstanding concerts already reserved for next sea-

son:

The Columbus Boychoir - a group of 30 talented boys between the ages of 9 and 14 with a versatile repertoire and skill in performance. The celebrated "America's Singing Boys" have given concerts to packed houses throughout the United States and Canada. They have sung with the New York Philharmonic, the Philadelphia Orchestra, the NBC Symphony under Toscanini and the Bach Aria Group. In 1957 the Boychoir toured seventeen South and Central American countries, singing to over 40,000 people not counting radio and television audiences.

The Orchestra Michelangelo Di Firenze is a repeat appearance by popular demand. This Orchestra is composed of musicians drawn from the most gifted orchestral musicians of central Italy. The orchestra brings noble musicianship to its music

making. The repertoire for the ensemble is from the Italian composers and the literature of Handel, Haydn, Mozart, Mendelssohn, Tchaikovsky and Dvorak.

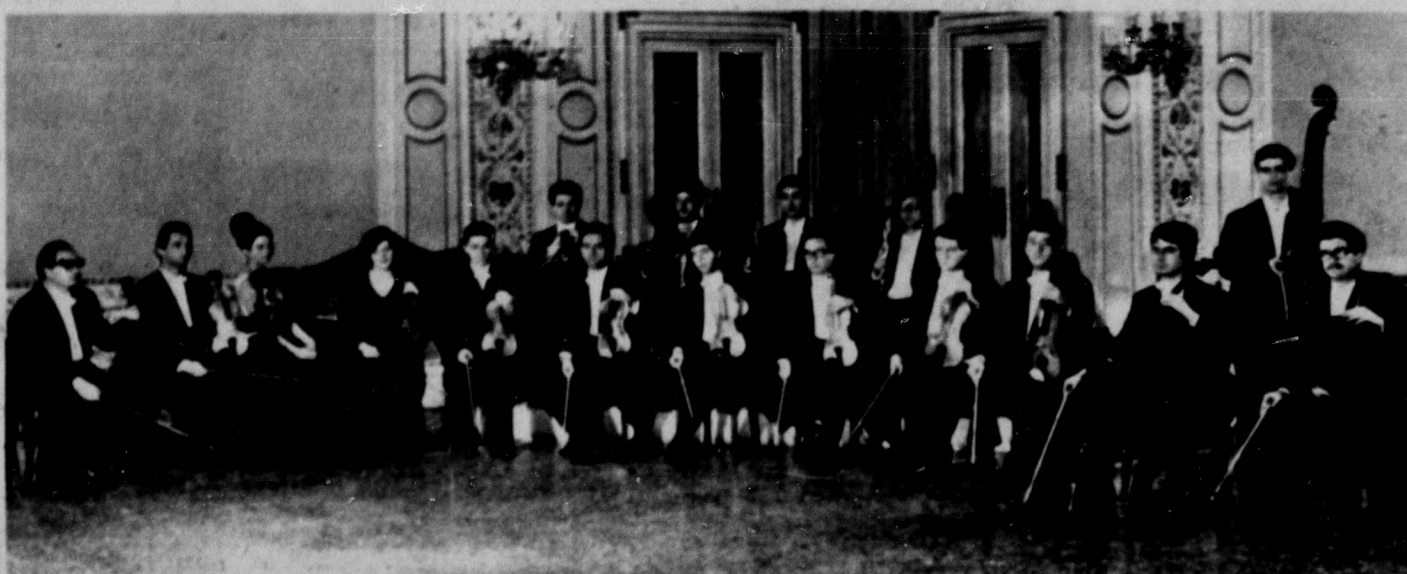

The Don Shirley Trio is listed as one of the topmost musical ensembles of its kind today. Don Shirley and the musical art form he created are unique in the concert world. The trio consist of a piano and two bass viols who present spectacular performances.

Don Shirley is a many-faceted pianist whose art forms appeal to a wide variety of musical tastes - classical, folk and modern. As a composer Don Shirley has written symphonies performed by The Philadelphia Orchestra and the New York Philharmonic. He has to his credit four organ symphonies, numerous piano pieces, two string quartets and a piano concerto. The balance of the concerts for the season will be selected

at the close of the membership drive. The quality of the additional concerts is dependent upon the success of the drive and upon the workers. A successful membership drive assures booking of exceptional artists.

During the one-week campaign, workers will accept membership renewals and sell new memberships. Headquarters for the drive will be at the Travel Bureau, 812 N. Euclid Ave., Ontario. The phone number is 986-2916. Headquarters will be open 9 a.m. to 5 p.m., April 23 through April 27 with check-in days, April 24, 26 and 27. Our own concerts, together with those of nearby communities, provide members a rich entertainment value for a \$7 membership.

Number of farms in United States has declined by one-fourth in last decade

THE ORCHESTRA MICHELANGELO DI FIRENZE -- will be seen in a repeat performance by popular demand at the Gardner W. Spring Auditorium as part of the winter program for the Upland-Ontario Community Concert Association's season presentations.

James King

Marine Private First Class James B. King, son of Mr. and Mrs. James L. King of 135 Mason Way, Upland, is serving with the Third Battalion, United States Marine Corps in Vietnam.

The battalion, a part of the Twenty-seventh Marine Regiment, First Marine Division, conducts large scale search and destroy operations against the enemy. Marines of the battalion participate in company and platoon size sweeps in search of infiltrators.

The Unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools. Equipment and materials for the projects are made available through the Marine Corps Reserve Civic Action Fund. Marines in Vietnam provide the know-how and guide the Vietnamese people in carrying out these projects.

William Robertson

Shipfitter Fireman Apprentice William P. Robertson, USN, son of Mrs. John F. Fraley of 4805 Kingsley, Montclair, is serving aboard the attack cargo ship USS Union.

The Union recently participated in a joint amphibious training exercise with the Republic of China.

The Union carried officers and enlisted men of the Republic of China navy and US Marines as well as heavy equipment and supplies. The men and supplies were landed on the beach by the Union's embarked landing craft.

The Union afterwards, resumed operations with the Seventh Fleet. The ship delivers cargo in support of American military units in Vietnam.

Agriculture Secretary Orville Freeman predicts that sometime in the future milk will be delivered to homes like water, through sanitized pipe lines to a kitchen faucet.

DON SHIRLEY -- of the Don Shirley Trio, one of the foremost musical ensembles of today, will perform at the Gardner W. Spring Auditorium as part of the winter season program of the concerts presented by the Upland-Ontario Community Concert Association.

Pettis scores gag

House becoming subservient body

Congressman Jerry Pettis of Loma Linda said today, "that the House of Representatives has taken a step toward becoming a second-class legislative body. Many Congressmen like me, voted 'no' on this Civil Rights Bill, not because we were opposed to Civil Rights, but because we were opposed to the 'gag rule' imposed upon us."

"I don't believe that I was elected by the people of this District to be a mere 'yes' man for the U.S. Senate or the Administration. The rights of all minority groups must be safeguarded."

I have voted for the Civil Rights measures that have come before the 90th Congress. I voted for the 1967 Civil Rights Bill and it was sent to the Senate for agreement. There, 100 Senators debated and studied for 3 1/2 months. Then the House Bill was put aside and amendments were added. In fact,

of the 10 sections of this Bill 6 deal with Indian Affairs. We in the House were then told that 435 Congressmen could have one hour to discuss this new bill. We could not amend any section, even though our Committees on Indian Affairs and Judiciary were not allowed to hold hearings," Pettis said.

"Yesterday the House debated for over 4 hours on a supplemental appropriation for the Post Office and Treasury Department and then amendments were allowed. But, today, over 400 Congressmen were not allowed to utter a word, ask a question or offer any amendments on any aspect of the far-reaching legislation."

This is the first time that a bill of this magnitude has been forced upon the membership of the 90th Congress without allowing full discussion. If we continue to condone this

practice, we will be "rubber stamping" laws which were written for us by the Administration or the Senate, without free discussion and debate by our side of Capitol Hill.

Our Founding Fathers, who created a co-equal U.S. Sen-

ate and House of Representatives, would have turned over in their graves if they could have witnessed the procedure in the House today. "I cannot in good conscience agree to this kind of steamroller legislation," concluded Congressman Pettis.

Air taxi safety topic of operators' confab

Air taxi services must take immediate action in speeding up a stringent safety regulation, Roger B. Cable, president of Cable Commuter Airlines, stated in announcing an open meeting by the National Air Taxi Conference's Airline Committee at the Airport Marina Hotel Tuesday, April 16.

"With the tremendous expansion of 'third level' commuter air travel, we just can't afford to wait for federal action," said Cable, whose company is hosting the meeting to which all U.S. scheduled airline leaders and West Coast air taxi operators have been invited.

Highlight will be a talk by George S. Buchanan, Assistant Chief, Operations Divi-

sion, of the Federal Aviation Administration's Flight Standards Service, on "The Need to Upgrade the Safety Aspects of Air Taxi Operations -- Now!"

Buchanan and A.W. Lalle, associate general counsel for FAA's Regulations and Codification Section, will discuss changes in Part 135 of the FAA regulations, soon to appear in a notice of proposed rule making. At last month's meeting of the NATC Airline Committee in Miami, Buchanan stressed pilot qualifications and duty time.

Another scheduled speaker is Bert Lockwood, Los Angeles Department of Airports, who will outline the city's airport growth and discuss metropolitan growth.

The National Transportation Safety Board recently urged FAA to tighten air taxi safety regulations, especially for passenger flights operating on schedule or connecting with airlines, as well as for mail. The Civil Aeronautics Board is considering compulsory insurance, now required by NATC for all 250 of its members, including most of the larger operators. Standards are lacking, however, for others among the 3,800 air taxi licensees.

NATC president W. Frank Wilkinson, Gold Coast Airways, West Palm Beach, Florida. The Airline Committee, representing 60 scheduled operators, is headed by Webster B. Todd Jr., Princeton Airways, New Jersey.

The look is new — so is the inspiration! DIAMOND HEAD is a fabulous collection of furniture inspired by the bold, dramatic Diamond Head landmark in Hawaii. Its diamond-shaped panels are reminiscent of Diamond Head's romantic cliffs. Its subtly rounded posts, its sophisticated bail pulls are a blend of the oriental and contemporary found on Hawaii. DIAMOND HEAD is beautiful to look at — with its hand-selected pecan veneers and solid pecan structural parts. The deep, diamond-shaped panels are molded of Futuron®, a stronger-than-wood synthetic miracle of modern chemistry. Come see this vital new look — now ready for American homes!

NOTICE OF TRUSTEE'S SALE

No. 67-3692
On Monday, May 13, 1968, at 10:00 A.M., JEFFERSON ASSOCIATES, INC., as duly appointed Trustee under and pursuant to Deed of Trust dated December 3rd 1965 executed by M.V.M. CORP., a California corporation and re-

corded December 27, 1965, as Instr. No. 43, in book 6539, page 491 of Official Records in the office of the County Recorder of San Bernardino County, California, WILL SELL AT PUBLIC AUCTION FOR CASH (payable at time of sale in lawful money of the United States) at the North

entrance of the San Bernardino county courthouse, in the city of San Bernardino, California all right, title and interest conveyed to and now held by it under said Deed of Trust in the property situated in said County and State described as:

DESCRIPTION:

The East 10 acres of the West 20 acres of Lot 30 of the SAN ANTONIO TRACT, in the city of Montclair, county of California, as per map recorded in Book 3, page 16 of Maps, in the office of the county recorder of said county, described as follows:

BEGINNING at a point on the center line of Holt Avenue, being the Northeast corner of the most Westerly 10 acres of said Lot 30, as owned by F.W. Olmstead; thence Southerly following said Olmstead's East line, 1103.3 feet to the right of way of the Southern Pacific Railroad Company; thence Easterly following said right of way, 397.3 feet; thence Northerly parallel with said Olmstead's East line, 1089.5 feet to the center line of Holt Avenue; thence Westerly following said center line, 397.3 feet to the place of beginning.

EXCEPTING therefrom that portion lying within Holt Avenue.

ALSO SAVING AND EXCEPTING therefrom that portion deeded to George Clifford Reeder and wife, by instrument recorded May 6, 1947 in Book 2055 of Official Records, page 168, as follows:

BEGINNING at the Northeast corner of that certain parcel of land conveyed to Lawson De Witt Reeder and George Clifford Reeder, as Trustee's, recorded October 18, 1933, in Book 900 of Official Records, page 373, records of said county, said corner being in the center line of Holt Avenue, and distant thereon measured Westerly, 531.92 feet, from the intersection of said center line of Holt Avenue with the center line of Ramona Avenue, thence South along the East line of said land as conveyed to Reeder, 303 feet; thence West parallel to the center line of Holt Avenue, 143.76 feet; thence North and parallel to the East line of said Reeder land, 303 feet to the center line of Holt Avenue; thence East along said center line, 143.76 feet to the point of beginning.

EXCEPTING therefrom the portion of said land within the 200 foot right of way granted to Southern Pacific Railroad Company by an Act of Congress approved March 3, 1871, such rights, titles and interest therein as were not actually conveyed to the patentee by the patent dated June 10, 1876, executed by the State of California recorded in Book A, page 210 of Patents.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note secured by said Deed of Trust, with interest as in said note provided, advances, if any, under the terms of said Deed of Trust, fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust.

The beneficiary under said Deed of Trust, by reason of a breach or default in the obligations secured thereby, heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and written notice of breach and of election to cause the undersigned to sell said property to satisfy said obligations, and thereafter, on January 8, 1968, the undersigned caused said notice of breach and of election to be recorded in book 6954, page 528, of said Official Records.

Economy sets another record bank reports

Southern California's economy -- bolstered by more department store sales and increased construction -- advanced to another record level during March, it was reported by the Economic Research Department of Security First National Bank.

Last month's economic performance is estimated at 171.6 on the bank's "Index of Business Activity." The preliminary index reading for February is 170.3, and the final index recording for January is 167.7.

March's 171.6 mark is the ninth record to be established by the Southland economy in the past 11 months. As a result, business activity is 11.6% stronger than a year ago. In March of 1967 the

Southern California economy registered at 153.7 on Security Bank's index.

Individual components of the economy, measured on the index, after adjustment for seasonal influences, revealed mixed patterns. Department store sales rose moderately, construction activity increased fractionally and bank deposits declined slightly. Real estate sales dropped to an 11-month low, as based on the number of deeds recorded last month in Los Angeles County.

Employment rose to its second record high in as many months during February, the latest month for which figures are available. On a seasonally adjusted basis, there were 4,675,000 civilians employed in the Southland's nine metro-

politan counties. Locally, employment has increased by 164,000 jobholders or by 3.6% in a year's time. Nationally, the comparable increase has been 2.2%.

February unemployment among the nine metropolitan counties' total civilian labor force averaged at a seasonally adjusted rate of 4.4%, down from 4.8 percent a year ago. Nationally, the February unemployment rate was 3.7%.

Hurricane Deaths

NEW YORK—Hurricanes have taken more than 5,000 lives in the United States in the last 50 years, the Insurance Information Institute reports. The highest single-year death total was 1,836 in 1928.

HARLINGEN, TEXAS, STAR: "It is high time for an abrupt termination of the all too prevalent 'sweetheart' arrangement between government and business. When someone has indicated, in no uncertain terms, that he intends to cut your throat,

it takes a fool to hand him a knife. Government control of a business while permitting the owners to retain nominal ownership and the taxpaying privilege is fascistic, while outright appropriation and ownership by the government is communistic."

NEW YORK—Backstopping the building of almost all public works and commercial construction are surety bonds. In 1966, says the Insurance Information Institute, written premiums for surety bonds reached a record high of \$310 million.

CALIFORNIA STATE LEGISLATURE

Considerable attention is being given by us in the Legislature to the growing problem of crime in California, particularly so now that we have received figures showing a sharp increase in serious crimes committed during 1967.

A preliminary report by the State Bureau of Criminal Statistics indicates there was an 11.6% increase in the rate of major offenses last year over the 1966 totals. "Major offenses" are defined as willful homicide, robbery, felonious assault, forcible rape, burglary, grand theft and automobile theft.

As the result of a substantial increase in the number of robbery offenses, the rate of crimes of personal violence increased by 16.5%. And the bureau said the 1967 felony arrest rates jumped 10.1% above those in 1966.

"This is largely the result of the continued increase in

drug law violations which in 1967 accounted for nearly one-fourth of all felony arrests and showed a 68.9% rate rise," the report said.

"If the narcotic problem were excluded, adult felony arrests would be approximately 10% above the 1966 level."

Decreases were noted in the rates of two offenses -- a 13.9% decline in the rate of rapes and 7% in the rate of other sex offenses.

The rate of arrests for juvenile delinquency climbed 4.9% above the 1966 rate. Statewide, the crime rate for the seven major offenses was 2,436 per 100,000 population. State statisticians worked out the percentages in this manner so the state's increasing population alone would not inflate the percentages.

This increase in major crime, according to the California Peace Officers Association, is turning public attention toward supporting law enforcement.

"In order to tackle the problem of crime," a spokesman said, "there has to be a crusade on the part of the people to support law enforcement."

He pointed to one group of prominent citizens who have formed a statewide organization called Law Enforcement and Its Needs (LEAN) as representative of the increased interest responsible people are taking in the problem.

One of LEAN's objectives is to research and support legislation which will aid law enforcement agencies "in their fight to protect the citizens of California." It is working closely with state peace officers' and district attorneys' associations in determining their most urgent requests.

Several pieces of legislation now before us have been endorsed by these groups. Among them are:

... A bill to allow local governments to enact and enforce their own criminal laws to fit the community's situation. "This is a very important matter," said the author. "As our state grows more complex ... local authority must return."

... Another measure would allow law enforcement agencies to use eavesdropping devices to obtain "nonphysical evidence" against criminals, a bill described as essential to combat organized crime.

The author said, "As organized crime becomes more sophisticated, we think law enforcement agencies need sophisticated tools."

Other legislation supported by this citizen's group includes antisecrecy bills, and measures designed to protect witnesses to crimes.

Spanish Treasure at Ontario Furniture

SPANISH TREASURE BY UNITED

An excitement in design

Spanish Treasure by United...an exciting new collection of bedrooms and dining rooms...is a magnificent mingling of Moorish and Spanish drama. Crafted of oak veneers and oak solids, finished in fruitwood, the collection is also available in Spanish green. Solid oak carvings, all meticulously worked, plus deep picture-frame moldings, impart a dramatic vitality to dressers and chests.

Custom antiqued hardware demands its own special attention: one motif is a variation of the intricate castle-chain latch; another...a gently hammered ball pull. Everything about Spanish Treasure by United conveys design drama. Share this outstanding design look. On display, today.

SCE taxes in Upland amount to \$142,963

Southern California Edison Company has paid the final installment of its 1967-68 property taxes, boosting its total tax payments directly benefiting the city of Upland \$142,963, according to C.G. Shores, Upland manager.

This total includes franchise requirements and business license payments as well as property taxes paid by Edison, Shores said.

Of the \$132,761.20 total for property taxes, \$22,909.11 represents a direct payment by Edison for municipal taxes: \$74,386.26 specifically supports local schools; and \$35,465.83 benefits the city in the form of "other county and special district taxes."

Edison's franchise and business license payments to the city amounted to \$10,203.14 for the year 1967, Shores said.

The investor-owned utility company's combined 1967-68 property tax payments in 15 counties of Central and Southern California totaled \$64.7 million.

Taxes paid by Edison to all levels of government last year totaled a record \$113 million, accounting for more than 20 cents of every dollar of revenue Edison received.

Richard Martz

Marine Private Richard W. Martz, son of Mr. and Mrs. Charles R. Martz of 1425 Anita St., Upland, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot in San Diego.

He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects, hygiene, first aid and sanitation, and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruited education and prepare him to join the Marine combat forces.

Obscene mail can now be stopped

Mail patrons offended by pandering advertisements can now take steps to curb such mail, the local Postmaster said in announcing plans for administering a new law which gives each family the right to decide that an ad is "erotically arousing or sexually provocative."

When an advertisement sent through the mails is offensive on these grounds, a postal patron can now ask the post office to direct the mailer to send no more mail to him and to immediately remove the patron's name from all mailing lists he owns, controls or rents.

To assist patrons, the Post Office Department has published a brief pamphlet "How You Can Curb Pandering Advertisements," which is now available at the local post office. In addition to explaining how the law works, the pocket-size leaflet contains a form letter one can use when sending his complaint to the post office.

The pamphlet explains that when a patron receives an advertisement which is, in his opinion, pandering, he must send the ad, its envelope and the form letter, or one which includes its language, to his post office with the words, "Request for prohibitory order" on the face of the envelope.

The Postmaster said, "This new law should give some protection to American families offended by advertise-

ments they believe to be morally harmful, particularly to their children."

"Last year the Post Office Department received some 140,000 complaints from those offended by pandering advertisements. While in most cases the ads were not legally obscene and were therefore mailable, they are often offensive and are usually not the type of material one would want his children to read," the Postmaster said.

He added that "because the law gives a mail patron the sole right to decide what is offensive, and does not deny others the right to receive the same mail, the Congress felt it does not violate Constitutional guarantees of freedom of speech."

He added that "because the law gives a mail patron the sole right to decide what is offensive, and does not deny others the right to receive the same mail, the Congress felt it does not violate Constitutional guarantees of freedom of speech."

While the patron's complaint will only be directed to the sender, the Postmaster believes that one or two complaints will provide substantial protection because "the great bulk of this advertising comes from fewer than 20 so-called 'smut dealers' who are frequently swapping mailing lists."

If a mailer does not strike a complainant's name from this mailing list, and the pa-

tron receives a second mailing 30 days after the firm has received the prohibitory order, he may bring the matter to the attention of the Postmaster issuing the initial order by writing him and en-

closing the second pandering ad with its envelope. If the mailer still fails to respect the order, the Postmaster General may ask the Attorney General to apply for

a Federal Court order directing compliance. Failure to observe the order may be punishable by a fine or imprisonment.

California Long White potatoes are used as a good all-purpose potato. But Long Whites from Kern County bake better than they boil. Being meaty textured, they tend to "cook up" or get a trifle mushy when boiled. On the other hand, Long

Two Chaffey glee clubs to guest with Symphony

West End Symphony Orchestra will present its concluding subscription concert of the season on Tuesday, April 30, at 8:15 p.m. in the Ontario High School Auditorium, corner of Francis and Palmetto.

Conductor Robert Cole, who has been re-engaged for the 1968-69 season, will be on the podium.

For the first time, the Chaffey College Men's and Women's Glee Clubs will be the guests of the orchestra in the performance of Antonio Vivaldi's choral composition, "Gloria in D".

These groups, directed by Mrs. Joyce H. Shannon of the college music department

staff, have made numerous public appearances during the current school year. Five performances of Gian-Carlo Menotti's Christmas opera, "Amahl and the Night Visitors", climaxed the fall semester. Spring activities have centered around Gilbert and Sullivan's "H.M.S. Pinafore", given at the college in March.

Director Shannon brings to her groups a rich background of professional experience, having been a member of the famous Roger Wagner Chorus for many years. She is an honor graduate of U.C.L.A. and her work at Chaffey in addition to choir directing includes the teaching of most of the lower division courses in music theory and history.

There will be three guest soloists for the April 30 performance—soprano Jane Paul of Fullerton, sopranoileen Duffy of Claremont, and mezzo-soprano Stella Herman of Los Angeles.

Miss Paul also will be vocalist for the rendition by the orchestra of Gustav Mahler's "Songs of the Wayfarer".

The orchestra will be featured in two works—the "Lenore Overture" by Beethoven, and the "Romeo and Juliet Overture" by Tchaikovsky.

Tickets for the performance may be ordered in advance by telephoning 984-8177 or 984-1506.

Medicare requirements eased

By Hugh B. Chapman, Pomona District Manager Social Security Administration

As a result of an important change in the Social Security law, anyone who becomes 65 this year can get full Medicare benefits with as little as three calendar quarters of work.

Before this change, those becoming 65 in 1968 would have had to have six quarters or a year and a half of work. Now you would need only three quarters of coverage or three-fourths of a year's work.

Those reaching age 65 in 1969 will need six quarters of work to be eligible for hospital insurance benefits.

In years beyond 1969, additional amounts of work will be needed to be eligible. These quarters of work may have been earned as far back as 1937, and still count for you at age 65. If you are in doubt on how much work you have had under social security since 1937, you can obtain a post card, Form OAR-7004, from your social security office located at 445 E. Holt

in Pomona. This form can be sent to Social Security's Central Office in Baltimore, and you will receive a statement showing how much you have earned.

Even if you do not have enough quarters of work for hospital insurance, you may still file for the supplementary medical insurance, more commonly known as doctor bill insurance under Medicare. This is available at a monthly charge of \$4.00 and does not require any work under social security.

MEMBERS of the Chaffey College Men's and Women's Glee Clubs will sing Antonio Vivaldi's "Gloria in D" at the West End Symphony Orchestra's spring concert, to be given in Ontario on April 30.

Briggs reveals results of constituent survey

Assemblyman John V. Briggs (R-35th) recently queried constituents on a dozen different items, and has returned a compilation of the answers he received. Following are the results of his survey:

1. **Withholding of Personal Income Tax:** 56% prefer the current system of paying themselves rather than having employer withhold.
2. **Medical Assistance Programs:** 63% felt the Governor should make even more cuts than he has already made.
3. **Social Welfare Programs:** This question provoked a wide disparity of suggestions ranging from "give them only food, clothing and shelter, but no checks" to "give them more money so they can live like the rest of us." The most frequent suggestions were: Increased Efficiency and Investigation, Control Birth of Illegitimate Children, punish those who Abuse Program, Work Programs for those on Welfare, Establish Minimum Residence, Establish Time Limit for being on Welfare.
4. **Source of Welfare Funds:** 69% indicated Welfare and Medical programs should be reduced to stay within current budget limits. 17% indicated any additional funds needed should be taken from "other programs".
5. **Union Elections:** 72% favored Governor Reagan's proposal to guarantee secret union elections. 22% of those responding indicated they were members of a union. Of those union members responding, 88% favored secret union elections.

6. **Suggestions to correct Smog Problem:** Again in this question there was wide divergence of opinion. Most frequent suggestions were: Improve auto smog devices, Stiffen pollutant emission controls on industry, Stiffen controls on auto manufacturers, Rapid Transit, Increased research, "anything that's necessary".

7. **How should Rapid Transit be Financed?** 74% indicated financing should be by bonds voted by local approval. 20% indicated rapid transit is not needed because freeway system is adequate.

8. **Should Tuition Fees Be Imposed?** 84% indicated they favored charging tuition. Recommended amounts ranged from \$10 per unit to \$500 per year. Average recommendation was approximately \$250 per year.

9. **Legislation to Crack Down on Campus Demonstrations:** 84% indicated they favored such legislation. The most prevalent suggestion was "mild suspension after first offense, permanent expulsion after second offense."

10. **Where does "Academic Freedom" end and "Irresponsibility Begin?"** For every questionnaire, there was a different response. The cen-

ter seems to be the violation of the rights of others. Most felt that any acts which cause an interruption of classes or interfered with students' learning processes should be dubbed "irresponsible" and beyond "academic freedom".

11. **What Part Should Students Play in Determining Policies on Campus?** Three responses shared top billing: "very little", "none", and "student body should recommend only".

12. **What is Most Important issue to be faced by California Legislature?** Crime (22%), Taxes (18%), Welfare (13%), Smog (13%), Balanced Budget (11%), Education (8%), Racial problems (6%), Rapid Transit (3%).

Smoke tax split up

State Controller Houston I. Flournoy announced the distribution of \$5,642,310 to counties and cities as the February apportionment of cigarette tax.

San Bernardino County's share was \$37,970.93. West End Cities' shares were: Montclair \$6,706.97, Upland \$5,276.19, Chino \$2,574.71, and Ontario \$16,406.38.

This amount represents 30% of the revenue deposited in the Cigarette Tax Fund during the month of February, 1968.

Local 'Boss' and 'Secretary' of year to be announced

Secretaries' Week will be observed for the 17th consecutive year from April 21 to April 27 with Secretaries' Day marked on Wednesday, April 24.

Mrs. Earl Lane, CPS, president of the Pomona Chapter of The National Secretaries Association, has announced plans for the local group's celebration.

The Pomona unit will stage its annual Executive's Breakfast at 7 a.m. on April 24 at the Upland Inn. At this time members will honor executives for whom they work.

Plans for the breakfast are being made by Mrs. Harold Sexton, Secretaries' Week Chairman, assisted by Mesdames John E. Madison, Leonard Singer, A.L. Johnson, D.E. Glatfelter, and Miss Carol Clegg.

also, Mrs. Gary Dennis and Mrs. Earl Lane, CPS, will present a skit entitled, "How To and How Not To Apply for a Position."

Although The National Secretaries Association (International) officially sponsors Secretaries' Week, observance is not limited to members alone, but to all secretaries everywhere who are in an indispensable and integral part of management's administrative team in business, industry, education and government.

California Division of NSA

has consistently led the field in the number of CPSS -- Certified Professional Secretaries. This program provides certification to those secretaries who qualify in passing a six-part two-day professional examination. Secretaries completing the examination successfully are qualified to use the designation CPS after their names. The Pomona Chapter has six CPSS. They are Mesdames John Jones, Earl Lane, Mathew Schubert, Wilma Stover, and Misses Jean Kenworthy and Virginia Montantes.

Demo candidate scores Pettis' rights bill vote

Democratic Congressional candidate John E. Husing has called Republican Jerry Pettis' "no vote" on the Civil Rights-Open Housing Bill "disgusting".

Said Husing, "At a time when internal conflict is twisting the nerves of America his vote against this bill is inexcusable."

Husing continued, "His claim that he voted no because Congressional red tape wasn't followed is frightening."

"How can an elected official, in good conscience, squirm away from a serious moral issue in this way?"

Gailen Evans

Airman First Class Gailen E. Evans, son of Mr. and Mrs. Gerald Evans of 5593 Granada St., Montclair, has been graduated at Lowry AFB, Colo., from the training course for U.S. Air Force aerial photo systems repair-

men. Airman Evans, a 1964 graduate of Montclair High School is being assigned to Nellis AFB, Nev. His wife is the former Vickie L. Greene.

Fair lists major '68 show dates

Schedule of major competitive shows for the 1968 Los Angeles County Fair has been released by Phil D. Shepherd, general manager.

Open divisions on exhibit during the 17-day run of the fair, Sept. 13 through 29, include agriculture (county and community exhibits, wine and apiculture), aquaculture, dairy products, domestic arts, flower and garden show and photography.

Senior division livestock will be exhibited Sept. 20 through 29; rabbits and canines, Sept. 13-17; pigeons, Sept. 18-23; poultry, Sept. 24-29.

In the Junior division, college, FFA and 4-H livestock will be displayed Sept. 13 through 17. The Junior Livestock Auction is scheduled for Wednesday, Sept. 18, with swine and sheep going on sale in the afternoon and blue ribbon beef at 7 p.m.

Junior pigeons show Sept. 13-17; poultry, Sept. 18-23, and rabbits (4-H and junior) Sept. 24-29.

On display for the duration of the fair will be junior arts, crafts, hobbies, models and feature exhibits.

Premium books giving the various classifications may be obtained by writing the fair office, P.O. Box 2250, Pomona 91766.

'The Velvet Glove' opens this week

The delightful comedy *The Velvet Glove*, is set for its run April 18, 19 20 and 25, 26 and 27 at The Castle, C and Lemon, Ontario, being presented nightly at 8:15 p.m. by the Garrick Players.

Producer Sandi McKenzie of Ontario has overseen the building of a cloistered set, which has an added religious motif by the addition of a statue of St. Joseph, lent by St. George's church.

Stage manager Ray Aguirre will be on hand checking stage details, and assuring prompt entrances. Wendy Westphal, Cucamonga will run the sound track, part of which contains the off-stage voice of Gary Wild. Make-up artist Pat Murphy, who was responsible for the excellent character make-up in *Dear Ruth* and *Night Must Fall* will again be on hand.

One of the big problems will be the aging of Mother Superior, played by Gloria McGinnis, Ontario, without giving the appearance of any artifice.

Pat Breymann, Alta Loma, is lining up the hosts and hostesses.

With spring flowers and bright gowns, the lobby will be especially festive. Artist Ruth Hanson, a member of the Chaffey Community Art Association, has hung an exhibit of her watercolor paintings on the walls of the lobby and the auditorium. Patrons will enjoy examining them during the

intermissions.

Upland resident Brandt Erickson has been cast in the role of the local parish priest, Father Benton. He is new to Garrick Players but brings a background of dramatic experience gained from working in minor movie roles.

This play about romance and behind-the-scenes workings at the time of Mother Hildebrand's fiftieth anniversary in her Catholic Girls' College promises to be fun for the entire family.

For ticket information, call Sandi McKenzie, 983-3026. Children under twelve will be admitted free.

Charles Milhiser on Kuchel team

Charles L. Milhiser, Upland savings and loan executive, is a member of the 27-member executive committee for Southern California to re-elect Sen. Tom Kuchel.

Reed Sprinkel, of Fontana, co-chairman of the San Bernardino County Reagan committee in 1966, is another member of the Kuchel team in this area.

For croquettes, desserts and recipes requiring a ring mold, use short grain rice. When cooked, short grain rice has the stick-togetherness quality needed for molding.

'Money, real estate, growth' on business outlook agenda

"Money, Real Estate and Growth in the Inland Empire in 1968-69" is the rather imposing title of an address to be delivered by Carlton Green, president of Urbanetics Research Corporation of Los Angeles at the 17th Annual Bi-County Business Outlook Conference on Thursday, May 2.

The conference is jointly sponsored each year by the San Bernardino County Economic Development Commission and the Riverside County Department of Development, and will be held this year in

the National Orange Show Cafeteria.

Green is one of six excellent speakers who will address the conclave. The others include: James M. Slink, Projects Director for the Airport Systems Planning Group of the firm of William L. Pereira and Associates of Orange County; L. W. "Bill" Lane, Jr., Publisher of *Sunset Magazine* and Chairman of the California State Tourism and Visitor Services Commission; Neils F. Sundermeyer, Assistant Editor of

the Kaiser Aluminum News and member of that firm's public affairs staff; and Congressman Jerry L. Pettis (R) of the 33rd Congressional District and John V. Tunney (D) of the 38th. The Congressmen will jointly address the luncheon session on the subject: "How Current Federal Legislation Will Affect the Inland Empire."

Green is well qualified to speak on any subject concerning the field of economics. Prior to his present associ-

ation with Urbanetics, he was chief operating executive and research director for Stanford Research Institute, and is a former Business Analyst and Regional Economist with the Department of Commerce.

He is a graduate of the University of California, and is the author of numerous papers on the subject of economics.

Reservations for the Business Outlook Conference may be obtained by contacting either of the sponsoring agencies.

Politicos journey to college

Congressman Jerry Pettis was scheduled to appear in the Chaffey College Little Theater at 11 a.m., Wednesday, by arrangement of the Choice '68 Steering Committee.

His appearance will be followed at the same hour, and place Friday by that of State Assemblyman John Quimby, responding to the Choice '68 invitation.

Choice '68, the national college legislative presidential primary, is scheduled for April 24. The ballot offers college students from coast to coast an opportunity to express themselves on the men and issues involved in this election year.

"I can't conceive of a more accurate way to measure student opinion on political and social questions than Choice '68," commented associated student body president Jim Kelber.

Kelber, an Uplander, is coordinating the poll. Members of the coordinating committee in charge of the speakers series are Fontanans Stuart O'Neill and John Kuchel.

All political presentations will be open to the public.

Creamy to snowy white is the color for cauliflower. Attached leaves should be fresh and green. "Freckles" on cauliflower are signs of age, waste and poor flavor.

Vandenberg offers fishing

Saturday and Sunday April 20-21 are the next dates on which civilians who purchase a \$1 annual permit may fish along four miles of Vandenberg Air Force Base coastline in Santa Barbara County.

After excluding civilian anglers for nearly 10 years, Base officials last weekend launched a program of allowing fishing, 100 civilians to be admitted under permit on each fishing day.

By the middle of each month, Base officials will announce the fishing days for the following month.

The permit fishing area extends from Surf Lagoon on the south to near Purisima Point

on the north. Fishing hours are 8 a.m. to 6 p.m. Swimming, skin diving, boating, family picnicking and dune buggying are not permitted.

Of the 100 civilian permits for each fishing day, 50 are offered by advance reservation and 50 are held for offering first-come first-served at the entry gate. Reservations may be made by phoning Area Code 805, 866-3201 after 7 p.m. any evening during the work week preceding the fishing weekend.

Anglers under 16 must be accompanied by an adult 21 or older.

All civilian anglers must enter the Base at the Surf

gate, just north of Highway 246 nine miles west of Lompoc. There they will register, sign a liability release and purchase a \$1 annual permit. Each person 16 or over must present his fishing license at the gate.

Fishermen are permitted to drive the length of the road adjacent to the open beach, enabling them to easily reach their desired fishing area.

Artichoke supplies are declining seasonally although they haven't disappeared from the markets. Supplies will increase again in the spring, reaching a peak in April.

CITY OF MONTCLAIR

NOTICE INVITING BIDS

FOR THE INSTALLATION OF IRRIGATION SYSTEMS, LANDSCAPING, AND APPURTENANCES IN ISLAND MEDIANS

RECEIPT OF PROPOSALS: Sealed proposals will be received at the office of the City Clerk, City Hall, Montclair, California, until 10:00 o'clock A.M. on Monday, April 29, 1968, for the furnishing of all plant, labor, materials and equipment for the installation of sprinkler systems, landscaping, and appurtenances in island medians. The words "Bid: Landscaping To Be Opened 10:00 A.M. April 29, 1968" shall appear on the envelope of each sealed bid and each envelope shall be addressed to the City Clerk, City Hall, Montclair, California. The proposals will be publicly opened and read in the Council Chambers, 5111 Benito Street, Montclair, California, at 10:00 A.M. on the date above mentioned.

DESCRIPTION OF WORK: The entire work is contained in a single bid schedule. The work consists of median island improvements including cobble stone paving, concrete head-ends, irrigation and automatic controls installation and landscape installation, including maintenance.

COMPLETION OF WORK: All work shall be completed within forty-five (45) calendar days after the date of the execution of the contract by the City.

OBTAINING CONTRACT DOCUMENTS: Plans and specifications and all contract documents may be obtained at the office of the City Engineer, City Hall, 5111 Benito Street, Montclair, California. A deposit of \$10.00 for each set of specifications with accompanying drawings will be required. The deposit will be refunded on the return of all contract documents in good condition within thirty (30) days after the proposals are opened.

PROPOSAL GUARANTEE: Each proposal must be accompanied by cash or by a cashier's or certified check or by a bid bond in the amount of ten percent (10%) of the amount of the bid price, made payable to the order of the City Clerk of the City of Montclair, as a guaranty that the bidder, if the award is made to him in accordance with the terms of his proposal, will promptly execute a contract in the required form, secure payment of workmen's compensation insurance, and furnish a satisfactory faithful performance bond and a labor and material bond. The faithful performance bond shall be in the sum of not less than one hundred percent (100%) of the estimated aggregate amount of the payments to be made under the contract, computed on the basis of the prices stated in the proposal. The labor and material bond shall be in the sum of not less than fifty percent (50%) of the estimated aggregate amount of the payments to be made under the contract, computed on the basis of the prices stated in the proposal. In addition to the above and if requested by the City, the bidder shall furnish a financial statement of recent date. Failure to comply with this requirement will render a bid informal and shall be sufficient cause for rejection.

WAGE RATES: Pursuant to applicable provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages including legal holidays, and overtime work for each craft or type of workman needed to execute the work contemplated under this agreement shall be paid to all workmen employed on the work to be done according to this contract by the Contractor, or any Subcontractor shall be deemed to include employer payments for health and welfare, pension, vacation, and similar purposes and shall be in addition to the prevailing hourly rate specifically herein set forth and adopted by the Council of the City of Montclair as follows:

General Tel organizes specialty Explorer post

Rugged outdoorsmanship and Boy Scouts have always been considered synonymous, and the goals of the Boy Scout organization have always been to develop boys in good citizenship, patriotism, and strength of character. The great outdoors has many advantages for developing boys.

Now, a new program has become available for young adult men not especially interested in developing outdoorsmanship, but who would rather gain a depth of knowledge in other fields of endeavor.

The new program is embodied in General Telephone Company's Explorer Specialty

CHP seeks men who like helping

"The man who likes people and has an outgoing and helpful personality may have a future on the California Highway Patrol," says Captain V. Nicholson of the California Highway Patrol office in San Bernardino.

"A successful traffic officer in our Department is a man who enjoys people and is always ready to help them," the local Captain said. "That is why men with these traits are among those we seek for the job."

The Captain made these comments in connection with an announcement that the next Civil Service Examination for Highway Patrol Traffic Officers will be given on May 12. The final date for filing applications to take this test is April 26.

An applicant for a position as Traffic Officer with the California Highway Patrol must be between the ages of 21 and 31 inclusive, stand at least five feet nine inches tall but no more than six feet six inches, be in sound health and physical condition, and have graduated from high school or completed the equivalent in education.

Applications for the position can be obtained at the nearest office of the Highway Patrol, Department of Motor Vehicles, or Department of Employment, according to the local Captain.

He who is slow to anger has great understanding.

—(Prov. 14:29).

Perhaps the most important spiritual quality that should be expressed toward life is the love of God. When we are aware of His love and make a sincere effort to pour forth this love to all persons and all situations, we have the sure cure for any problem. Let us build in a feeling of God's love as we walk through our days to meet only love and understanding.

It gives them a chance to experiment with their own ideas on professions which they may be considering three or four years from now.

"The Explorer Specialty Post affords these young men a preview of an industry which they may be considering as a career. Some may find that the industry they are interested in provides the opportunities they expect, others may find that another type of business looks better and, therefore, may join an Explorer Post which covers that industry.

of rumpled
skirts with
skirt saver
by Beverly Vogue

Thanks to this patented two-fabric wonder, you can sit all day—and know slim skirts and knits will stay sleek and wrinkle-free. Front panel of nylon tricot gives to allow sitting freedom and can't ride up. Back panel is firm, non-stretching nylon taffeta to prevent sitting out or wrinkling. Nylon Zephyr zipper opens at the top of the full slip allowing step-in ease and pretty fitted lined lace bodice. Matching half slip with fitted waist band and zipper closure make it sleek and comfortable. Deep lace border is lined, has kick pleats front and back, tall, black, white, beige.

Ganesha Hills Restaurant Welcomed at Ceremonies

Officials of the city and Specialty Restaurant Corp. clambered aboard a power shovel Tuesday for the ceremonial groundbreaking of a restaurant in the Ganesha Hills.

Then they and several dozen businessmen and city officials moved to a tent for a buffet lunch at the spot the restaurant will occupy five months from now.

G. Bryan Walker, president of the Pomona Chamber of Commerce, and Mayor Richard C. Brownell welcomed the restaurant corporation to Pomona.

The mayor presented a proclamation to David C. Tallichet Jr., president of the corporation, and David Perrin, vice president in charge of construction.

The restaurant will rise on a knoll, between Dudley Street and Ganesha Boulevard, just below a city reservoir and north of the San Bernardino Freeway. Its address will be 1600 Ganesha Blvd.

The dining room will seat 300 and each diner will have an unobstructed view of the valley. An ornate cocktail lounge, with seating for 82, will be built around a bar, also with a view.

In all there will be 11,000 square feet.

The architecture, done by Ted Cushman, will be "exotic island" in design. The entrance will have a waterfall, natural-gas illumination and tropical foliage.

Completion is set for Sept. 1 and opening will take place by Sept. 15, said Victor H. Colucci, vice president of operations for the corporation. The contractor is Emory C. Jackson Co.

Specialty Restaurant Corp. has headquarters in Long Beach and operates the Reef there, Pieces of Eight in Mar-

ina del Rey, Gate of Spain in Santa Monica, Burbank Castaway, the Proud Bird at Los Angeles International Airport, Ports O' Call and Yankee Whaler Inn in San Pedro and

the Castaways in San Mateo and Oakland.

The corporation also created and owns the Ports of Call Village and Whaler's Wharf in San Pedro.

Quick Dessert

Cherry compote is a quick-made dessert. Combine 1 (4-ounce) jar of red maraschino cherries, undrained, and $\frac{1}{4}$ pound of seedless grapes. Pour 3 tablespoons of honey and $\frac{1}{4}$ cup of cognac over fruit and chill thoroughly. Serve in chilled sherbet dishes. Makes 4-6 servings.

Wooden Hangers

One of the best investments a man can make in his appearance is in some wishbone wooden hangers.

They are much heavier than the ordinary wire hangers and are shaped to carry a man's suit or coat without leaving hanger markings.

Tips on Mini-bags

If the currently fashionable mini-bag leaves you wondering where to store all the usual handbag trappings, one long-time designer of purses has the answer. Own a mini and a tote too. To insure smartness, Greta of Greta Originals, New York, styles the tiny purses and the large ones to match. For spring, they're made up in assorted colors of patents.

Straighten Thread

When removing thread from a ready-made garment that you intend to use over again, straighten this crinkly thread by rubbing it over wax or paraffin. It straightens out immediately and the wax makes it stronger and easier to sew with.

Clean Out Iron

At least once a month, you should clean out the mineral accumulated in your steam iron. Fill the iron with water to which you have added a water conditioner. Set control to cotton. When it begins to steam, shake gently to circulate. Keep the solution in the hot iron for 10-20 minutes. Drain and fill with tap water. Rinse several times.

SPORTS FANS!

I BET YOU DIDN'T KNOW

by Ron White

Do you know if any big league baseball team has ever been able to stay in first place EVERY DAY from Opening Day till the end of the season? . . . Only two teams in history accomplished this . . . They were the 1923 Giants and the 1927 Yankees.

Did you know a batter in baseball can get credit for a run batted in by hitting a FOUL ball? . . . Do you know how this is possible? . . . Under present scoring rules, a batter gets credit for an RBI when he hits a fly ball on which a runner from third scores after the catch, even though the ball is caught in foul territory!

Here's a sports fact many fans don't realize about Jack Dempsey . . . Did you know when he was heavyweight champion of the world, he sat around for three years without defending his title! . . . Dempsey fought on Sept. 14, 1923, beating Luis Firpo . . . Then, he didn't put his title on the line again till Sept. 23, 1926, when Gene Tunney beat him.

I bet you didn't know . . . you can buy a brand new pickup and still give your pocketbook a break . . . Datsun pickups cost less to buy, cost less to operate. Yet hauls up to 2,000 lbs. of cargo.

SUNRISE SERVICES AT PUDDINGSTONE - An Easter crowd appears to be silhouetted by the sun as it starts to rise on Easter Sunday. The services were sponsored by the Bonita Ministerial Association. The crowd heard the churches' United Teen Age Choir sing two selections--"His Name Is Wonderful" and "He Lives." The newly formed True Tone

Trio sang and the C.V. Instrumentalists lead the Praise. Stanley Rummel, Michele Smalley and Skip Clague spoke on the theme, "The Resurrection of Christ."

Good rule to remember: in rolling out pastry for the bottom of a pie, cut the dough an inch larger than the top outside edge of the pie plate. Fit gently into the plate.

Midsummer's Night's Dream

CLAREMONT, April 17 A special matinee performance of "A Midsummer Night's Dream" presented by the Four Colleges Players in Garrison Theater will be held Saturday, April 20 at 1 p.m.

The matinee is designed for high school students, with special admission rates. The public is also invited.

Before the performance, Dr. Ricardo Qui-

nona, Professor of Renaissance Literature at Claremont Men's College, will present a demonstration and lecture on "Shakespeare's Theater and Its Meanings Today" at 11 a.m. at Garrison Theater.

The play will also be presented April 19, 20, 26, 27 and 28 at 8:30 p.m. in Garrison. For further information on reservations call 626-4523.

Refrigerate

Put all prepared salad greens in a large plastic bag that can be kept in the refrigerator until you're ready to serve. Then just pour in the salad dressing, shake well, and every leaf comes out beautifully coated, with no mess and no puddle in the bottom of the salad bowl.

Honey Butter Treats

All the family from tots to grandpa will go for honey butter on hot biscuits, muffins, toast, waffles, or hot cakes, for this spread is a delicious taste treat. Just combine and blend equal portions of honey and butter which has been softened to room temperature.

Top cooked buttered broccoli with freshly grated Parmesan cheese. Cheese graters are small inexpensive utensils that are worth having in the kitchen.

Marinate drained canned asparagus spears in a savory French dressing and serve of lettuce, garnished with pickled strips, for a company-dinner salad.

Voters of 2 Cities Praise Votomatic

Votomatic has itself won a vote of confidence in two Pomona Valley area cities for its performance in the Tuesday elections.

Officials in Walnut and La Verne conceded some hitches in the system involved in the use of the automatic voting device but insisted they are encour-

aged about its future value. Their reports shared a rather exclusive spotlight. Only those two communities tried the strip-line Votomatic out of the nine area cities which held municipal elections.

In Walnut, City Administrator John Tapp said the performance of the device during the voting

process was flawless. In his own survey of voters, he said, he heard no complaints. "I'm sure the public will want Votomatic in future elections," Tapp added.

The administrator explained that the only shortcoming in the Walnut election procedure was no fault of the equipment. He

singled out this problem as being one of an overcrowded data-processing room at Mt. San Antonio College, where the punch-card ballots were counted by computer.

Because of the excessive number of persons waiting for the results there, cramped election workers were delayed in their work, Tapp said.

Final tabulations of the 872 votes weren't reported generally until 9:30 p.m. — an hour and a half after the polls closed — even though the ballots were at the center within 35 minutes, he said.

La Verne City Clerk Ruth Hogan said she was "real pleased" with Votomatic but reported that the process bogged down in the transfer of the 2,275 ballots to city hall from precincts.

Can't Explain Delay

She said she was not able yet to explain this delay, although she pointed out that election workers were having their first experience handling the punch cards.

The cards didn't arrive at city hall until 9:30, also 1½ hours after poll-closing time, and were rushed to a computer center in Pomona. The tabulations were complete by 10.

Mrs. Hogan said she is hopeful of totally successful use of Votomatic in the future.

The device, requiring voters to punch the card ballots with a metal stylus, was used last year in Pomona municipal elections and in San Bernardino County cities in the 1966 general election.

White Accents

The French designers also endorsed dark outfits brightened with white accents. Samples; asymmetrical collars on navy blue or black dresses; bib collars; starched collars; wrists and cuffs; long scarves, camelias.

Helps Hemming

It is easier, when making a rolled hem in a flare or in any circular cut material, to first make a row of machine stitching on the line of the first fold. And should it be extremely flared, the bottom thread may be pulled slightly.

To Glaze Ham

Glaze baked ham with a mixture of orange marmalade and a little prepared mustard, then sprinkle generously with toasted sliced almonds. Garnish with glaze cherries and parsley sprigs.

New Designs

Sleeves took on new importance in new collections by French designers. They included leg-of-mutton sleeves, cape sleeves, flared sleeves, shirt sleeves, sleeves with cuffs and even — puffed sleeves. Arms, apparently, are going under cover.

Shouldn't He Or Should He?

Should the bottom button of a man's vest be buttoned or left unbuttoned? The American Institute of Men's and Boys' Wear answers: "Well, it's usually left unbuttoned for several reasons — because that's been the accepted version for as far back as we can remember, and because the contour of the wearer and the construction of the vest make it fit better with the bottom button unbuttoned."

Measles Shots A Must For Kindergarteners

Measles shots will be mandatory for boys and girls who pre-register for kindergarten next month, County Health Officer Dr. G. A. Heidbreder announced today.

Evidence of immunity must be presented to school authorities in one of four ways: 1—a physician's record of immunization; 2—a health department immunization card; 3—a parent or legal guardian's written statement that such immunization has been obtained; and 4—a parent or legal guardian's written statement that a child has had the 10 day red measles.

Dr. Heidbreder said a child may be exempted

from the law if a parent or guardian files a letter with the school authorities stating: 1—immunization is against his religious beliefs, or 2—if the child's physical condition does not permit immunization.

Children, who have not had the measles and have not been immunized, may be admitted with the understanding that these shots will be given within two weeks after the day of admission.

The measles vaccine is being offered in all 49 district health offices throughout the county, Dr. Heidbreder said. The immunizations also are available from private physicians.

Shrine Slates Top Talent For Apr. 19-20

Comedian Jack Carter and Singer Roberta Sherwood headline Al Malachuk Shrine Temple's Family Shows, Friday and Saturday nights, April 19-20, in Shrine Auditorium, 665 W. Jefferson Blvd.

The show bill, according to Potentate Leo E. Anderson, will also include Bob Williams and his comedy dog act and the Blue Streaks, a roller skating novelty act.

James Cunningham, Al Malachuk's entertainment chairman, announced that auditorium doors open at 7 p.m., with the curtain going up at 8 o'clock.

Carter has appeared on more than 40 Ed Sullivan TV shows, probably a record for a solo entertainer, and in every nightclub from New York to Las Vegas.

As a dramatic actor he has starred in many TV series, among them "Ben Casey," "Dick Van Dyke Show," "Alfred Hitchcock," and "The Danny Thomas Hour."

Miss Sherwood, a supper club topliner, has also performed in every major nightclub in the nation.

Anything Goes Next Montclair Show, Apr. 25

Harve Edwards, President of Valley Community Theater, Pomona, announced today that this city's theater group's production of the Cole Porter musical "Anything Goes" has been booked as the final event on the Montclair Starlite Series.

This admission free concert series is open to the public, sponsored by the City of Montclair, Department of Recreation.

The Montclair performance, to be given Thursday April 25, at 8:15 p.m. in the Montclair High School Auditorium, 4725 Benito Avenue, Montclair, will be an out-of-town opening of the show which will start its Pomona run at regular prices at VCT's own theater on May 2.

The musical which is directed by veteran actor and director Richard Fisher, who recently starred in "Tobacco Road," enjoyed a long and successful run on Broadway, and features such favorite Cole Porter melodies as "It's De-Lovely," "I Get a Kick Out of You," "Blow, Gabriel Blow," and "Anything Goes."

Almost half the freight that moves between cities and towns in the United States is carried by railroads.

Utilities ask politicians to not placard their poles

Utilities that comprise the membership of the Joint Pole Committee has sent letters to all political candidates asking them to refrain from placing posters on utility poles.

They constitute a hazard to men who must climb the poles in the course of their work, and besides it is illegal to place posters on utility poles.

Placards attached to poles with nails or other metallic fasteners create an extreme hazard, the letters to candidates pointed out, because linemen's climbing hooks are apt to glance off the metallic fasteners.

Even if attached with adhesives, placards could cover cracks, knots, or legal metallic items on the poles and thus create a hazard.

Two sections of the state Penal Code, and most municipal codes, forbid placing political or any other private propaganda on utility poles.

Peace Corps test open

Local residents interested in putting their skills to use in developing nations around the world may take the Peace Corps Placement Test at 1:30 p.m. on Saturday, April 20 at the Pomona Post Office, 440 S. Thomas St., Rm. 204.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. The test requires no preparation and is non-competitive; an applicant can neither pass nor fail.

Persons interested in serving with the Peace Corps must fill out an Application, if they have not already done so, and present it to the tester before the test. Application forms are available from post offices or from the Peace Corps in Washington, D.C. 20525.

Twelve thousand Volunteers are currently serving in Asia, Africa, Latin America and the Pacific Islands, working with the people of those nations in self-help projects ranging from agriculture and nutrition to auto mechanics, education and health.

Unlicensed fishing expensive

Two hundred five Southern Californians who tried fishing without a license, because they didn't expect to see a warden, paid court fines for that offense during the month of March.

All told, Southern California and Inyo-Mono area wardens of the Department of Fish and Game prosecuted 407 fish and game law violators during the month. The result was \$4,939 in fines and 34 days in jail.

Among the cases were 57 for violating clam and shellfish regulations, 22 for fishing with more than one rod, 19 for having a loaded gun in a vehicle, 10 for taking small game out of season, 10 for violating commercial abalone regulations, and nine for causing stream pollution.
